

Decision
Section 19 Commons Act 2006
Application 2907 to correct the register

Background:

Mr R.A Cornelius, Mrs J.P. Cornelius and Mr T.R. Cornelius completed application No. 2907 to correct the extent of a dominant tenement (land to which a right of common attaches).

Legislative requirements:

The applicant has provided evidence that at the time the original rights application was made, No. 0291 dated 7th May 1968, two parcels of land comprising 0.628 hectares were not part of Pennant Farm, and therefore ought not to have been included as part of the dominant tenement of Pennant Farm at that time, or at any time since.

Representations:

No representations were received.

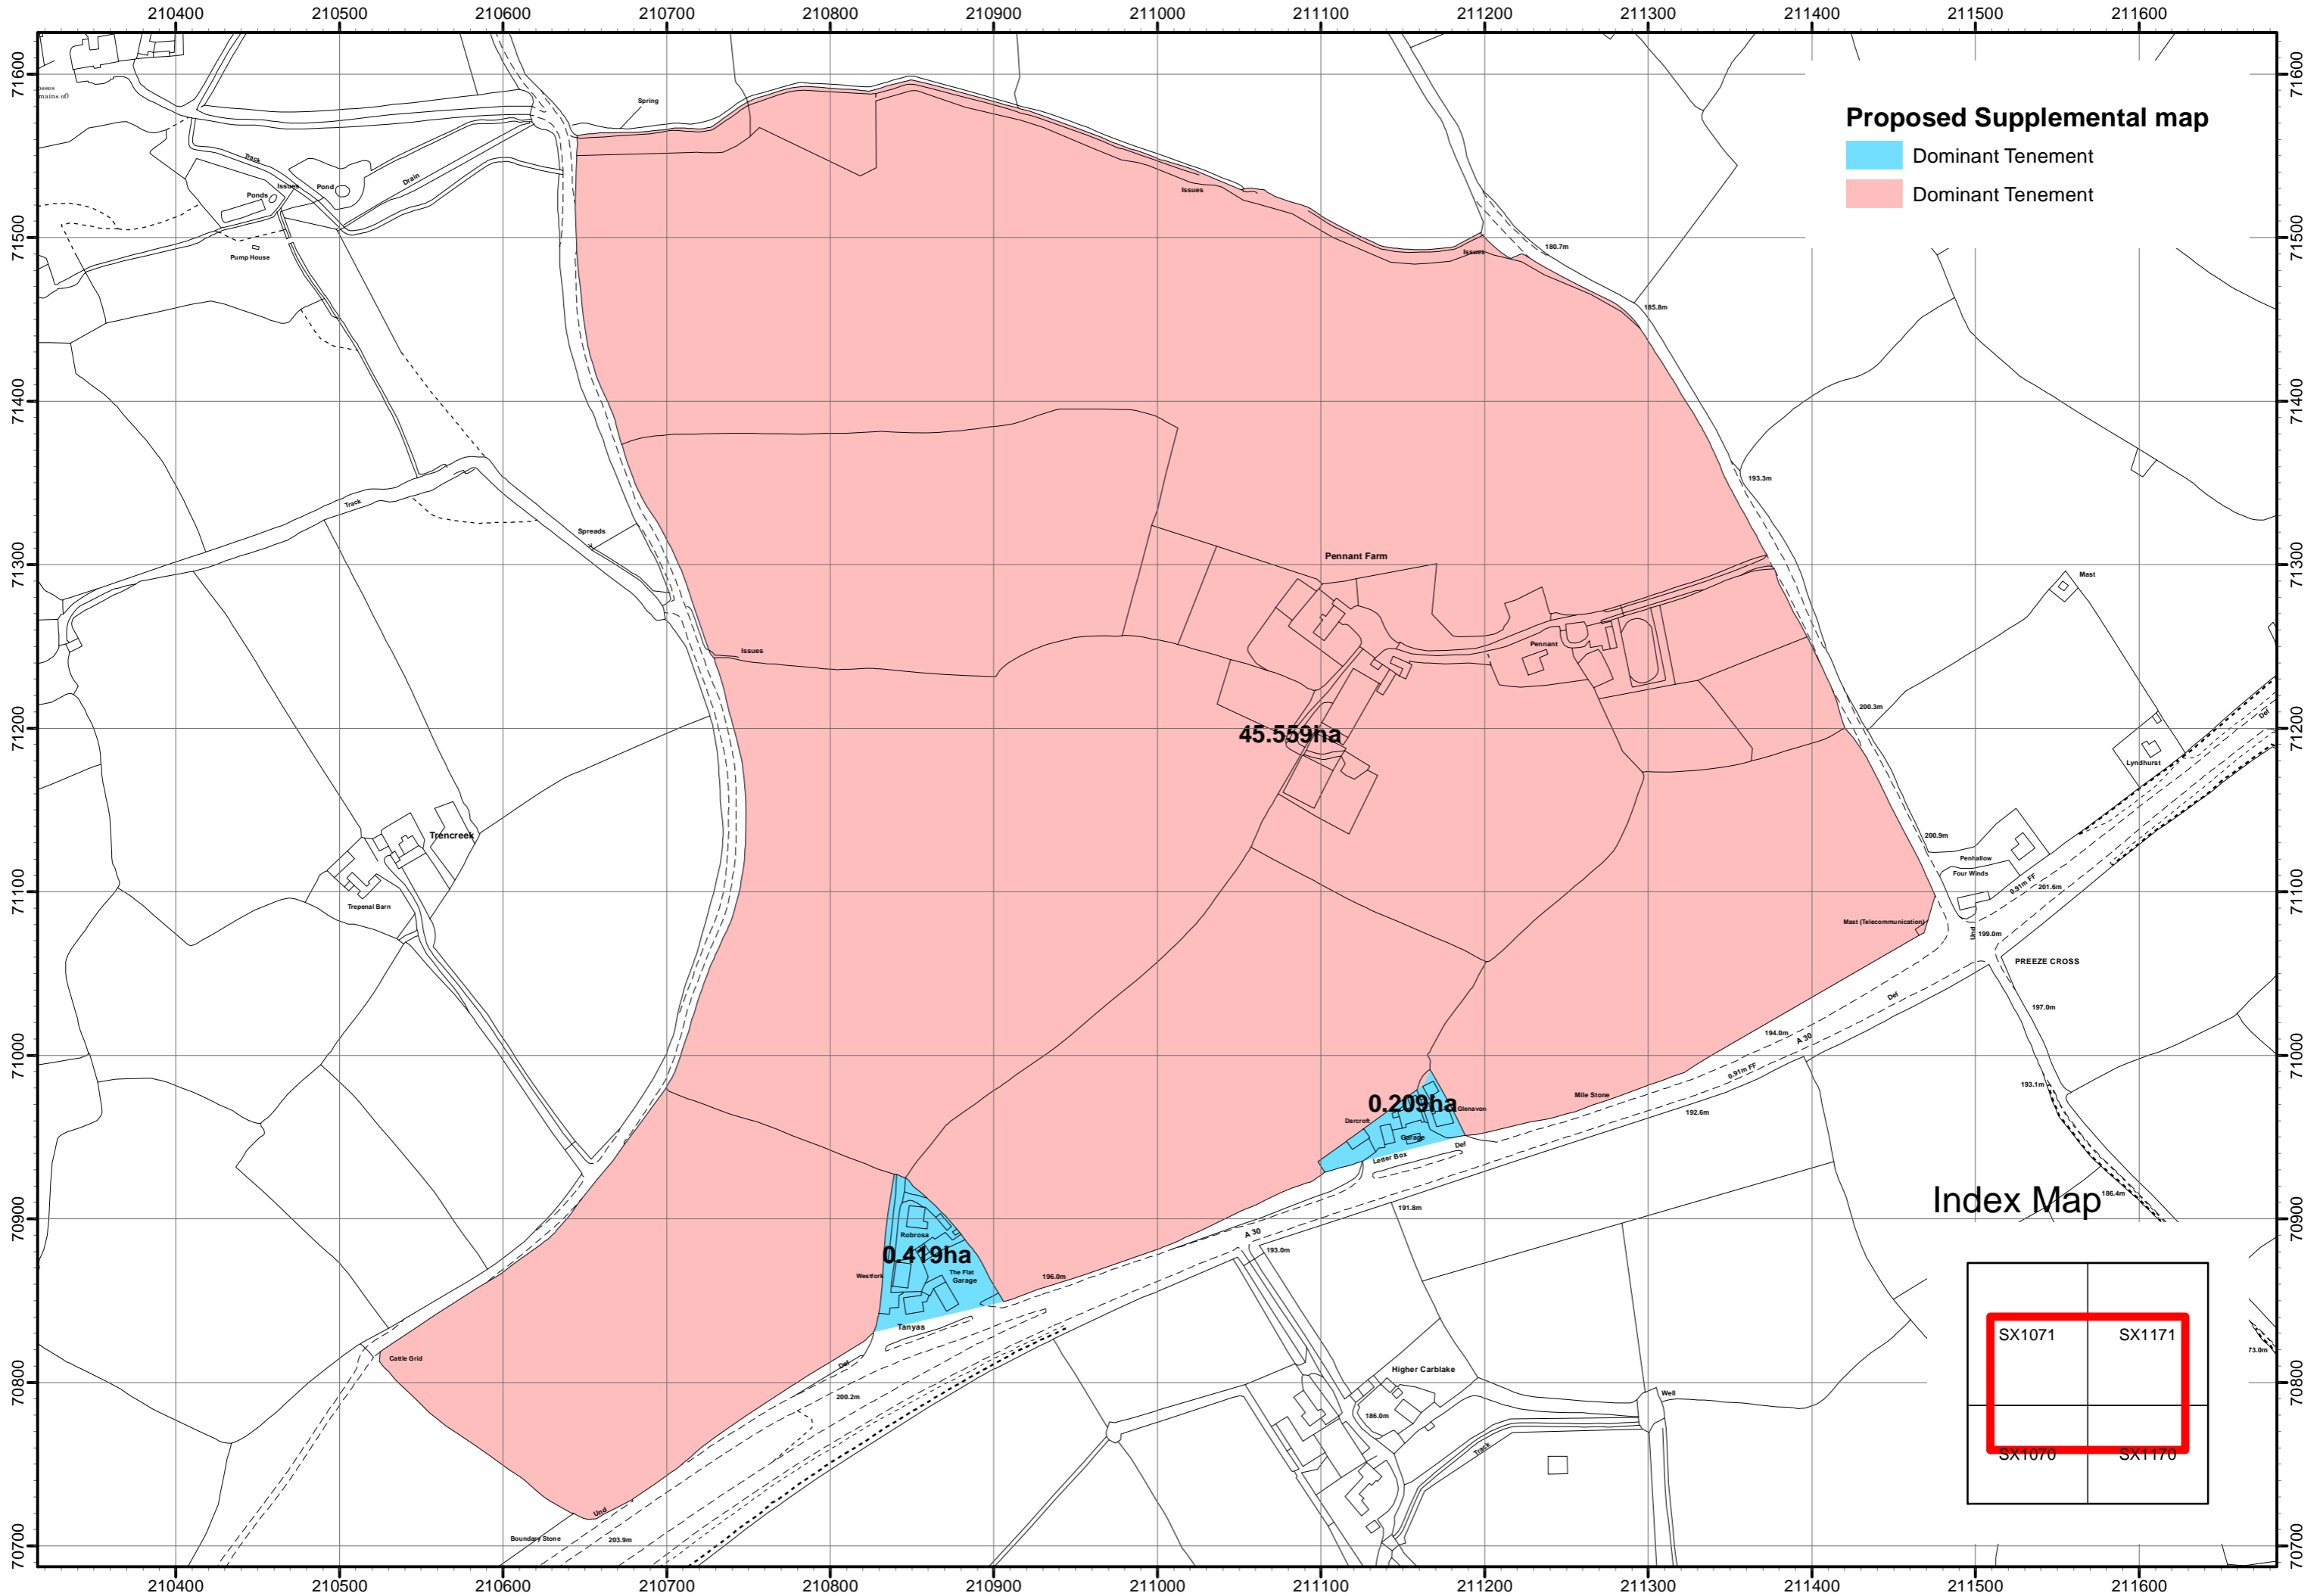

Decision:

The application is approved and 0.628 hectares of land, as coloured blue on the accompanying plan, is removed from the dominant tenement of Pennant Farm.

Name: Martin Wright
