Prov (ha) = Area of land provisionally registered

Final (ha) = Area of land finally registered

Excl (ha) = Area of land excluded from final registration

W = Application withdrawn before referral

C = Referred application cancelled by agreement or declared void by a commissioner

Pt = Application modified (part-withdrawn) before referral; or cancelled/declared void in part only

F = Land registration unaffected by decision

Potential UC = Potential urban common

Reg RA = Registered by the Ramblers' Association

Reg WCFPS = Registered by the West Cornwall Footpaths Preservation Society

Reg SJPOCS = Registered by the St Just and Pendeen Old Cornwall Society

1989 Act = Rectification of Registers Act 1989

NOTE

Where the land section was unaffected by a decision, the CL unit area is taken from the register and is not necessarily accurate.

For applications that were withdrawn/cancelled/declared void, the land areas were estimated, using MapWindows GIS, from the scans of the register maps produced for the Countryside Agency by the GeoData Institute under Pt I of the C&ROW Act.
