

## DECISION

Application No. 2766

**Form CA14 to amend the register during the transitional period, to record an historic event.**

**The creation of a right of common**

### **Summary:**

The application is accepted

### **Reasoning:**

The application was evidenced by a letters in support from:

- i) The Davidstow and Westmoor Commons Association
- ii) The Association of Bodmin Moor Commons Landowners

No objections to the application were received.

With due regard to the Guidance issued by Defra in its '*Guidance to commons registration authorities and PINS for the pioneer implementation*', officers with delegated powers determined there was no good reason to reject the application and consequently made the necessary amendment to the register of common land.
