Dear Sarah,

Application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area.

Deviock Parish Council gives notice that it wishes to make an application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area for the Deviock Parish Neighbourhood Development Plan.

The application is accompanied by a map identifying the area to which the application relates, [*being the entire parish area of Deviock.*]

This area is considered appropriate to be designated as a neighbourhood area for the following reasons:

- 1) The area forms the existing Deviock Parish Area that is served by the Parish Council
- 2) The proposed area already has legal and administrative status
- 3) The proposed area includes the villages of Donderry, Seaton and Hessenford which already have strong links and work together on projects of mutual benefit for the Parish

Deviock Parish Council is the relevant body for the purposes of section 61G of the 1990 Town and Country Planning Act being the parish council for the entire area applied for.

Yours sincerely

Timothy Pullin (*Clerk to Deviock Parish Council*)
