Dear Sarah,

Application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area.

Feock Parish Council gives notice that it wishes to make an application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area for the Feock Parish Neighbourhood Development Plan.

The application is accompanied by a map identifying the area to which the application relates, [*being the entire parish area of Feock.*]

This area is considered appropriate to be designated as a neighbourhood area for the following reasons:

- 1) The area forms the existing Feock Parish Area that is served by the Parish Council
- 2) The proposed area already has legal and administrative status
- 3) The proposed area includes the villages of Carnon Downs, Devoran, Point and Penpol and Feock which already have strong links and work together on projects of mutual benefit for the Parish

Feock Parish Council is the relevant body for the purposes of section 61G of the 1990 Town and Country Planning Act being the Parish Council for the entire area applied for.

Yours sincerely
