Recommendations:

1. 1. That the Quethiock Neighbourhood Area is designated in accordance with the Neighbourhood Planning (General) Regulations 2012.

1. Executive summary

In accordance with the Neighbourhood Planning (General) Regulations 2012 ('The Regulations') any Neighbourhood Plan being produced must be carried out within a Neighbourhood Area the extent of which must

Cornwall Council

submitted to, publically advertised and consulted on for prescribed period and approved by Cornwall Council.

The Quethiock Parish Council is working on the preparation of a Neighbourhood Plan for the Quethiock Parish area. An application for the designation of Neighbourhood Area was made to Cornwall Council and was advertised between 29th November 2013 and 10th January 2014.

No objections were received to the advertisement of the Neighbourhood area and it is therefore recommended under regulation 6 that the Neighbourhood Area designation is confirmed and advertised as required by Regulation 7.

2. Background

The Quethiock Parish Council gave notice of its intention to prepare a Neighbourhood Plan with a letter of application, accompanied by a map showing the parish area. The group is properly constituted according to the Neighbourhood Planning (General) Regulations 2012.

Where an application is in accordance with the Regulations, Cornwall Council is required to designate the Neighbourhood Area under regulation 7.

3. Outcomes/outputs

The Neighbourhood Planning (General) Regulations 2012 require that provided the Neighbourhood Area meets the requirements as set out in Section 61G(2) of the Town and Country Planning Act (1990) and parts 2 and 3 of the regulations then the Council must publicise the application for the application for a period of 6 weeks.

The application for designation of the parish area was advertised for a 6 week public consultation period between 29th November 2013 and 10th January 2014. No objections were received in respect of the notice.

Quethiock Parish Council is a 'relevant body' under the Regulations and the proposed Neighbourhood Area is considered to be reasonable.

It is considered that the application for designation of the Quethiock area as a Neighbourhood Area has satisfied the requirements of the Regulations and as no objections have been received the decision to designate it as a Neighbourhood Area should be approved by the Cornwall Council.

Cornwall Council is now required to publicise the designation of the Neighbourhood Area in accordance with regulation 7.

4. Options available and consideration of risk

There are not considered to be any significant risks that would occur as a direct result of this decision.

Consultation has been undertaken in accordance with Part 2 of the Neighbourhood Planning (General) Regulations 2012 and no objections have been received as part of that process.

5. Proposed Way Forward

1. That the Quethiock Neighbourhood Area is designated in accordance with the Neighbourhood Planning (General) Regulations 2012.
