Application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area.

The St Blaise Town Council gives notice that it wishes to make an application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area for the St Blaise Neighbourhood Plan.

The application is accompanied by a map identifying the area to which the application relates, being the entire parish area of St Blaise.

This area is considered appropriate to be designated as a neighbourhood area for the following reason:

The whole area of the parish needs to be included for completeness and to ensure that all Potential sites for regeneration, protection or development are included.

The St Blaise Town Council is a relevant body for the purposes of section 61G of the 1990 Town and Country Planning Act being the parish council for the entire area applied for.
