SECTION 4: NATURE OF INTENDED FUTURE DEVELOPMENT AT SITE

Please give details of any intended developments which are listed below

4.1 Lateral (surface or underground) extension of existing working

4.2 Deepening of existing working

4.3 Extension of existing operations for depositing mineral waste

4.4 Re-opening of a disused working

4.5 Re-activation of operations for the depositing of mineral waste

SECTION 5: PROPOSED CONDITIONS

5.1 Please set out in an attached schedule, the conditions to which you propose the permission(s) should be subject. An illustrative guide to conditions is enclosed with this application form. The conditions should cover:

- Duration of the permission(s);
- Access, traffic and protection of the public highway;
- Working programme;
- Environmental protection;
- Landscaping;
- Restoration;
- After - use;
- After - care (where appropriate)

SECTION 6: PLANS AND DRAWINGS

In addition to the location plan, the plan showing the area of the permission(s) (and adjoining areas in the applicant's ownership or control, where appropriate), please attach plans showing the following;

6.1 The existing surface levels over the area of extraction and/or depositing and land in the immediate vicinity

6.2 The general method of working, including details of direction and phasing and details of land to remain unworked within the area of the application

6.3 The proposed final levels of the worked out areas prior to restoration

6.4 The proposed surface area, height and location of mineral stockpiles; top soil; sub soil; overburden mounds; and, mineral waste deposits

6.5 Details of the access to the site, parking, loading, unloading areas etc.

6.6 Details of landscaping and restoration including retention of existing vegetation, new planting and the final levels of the restored site

6.7 Details of services crossing or adjacent to the site - e.g. drainage, gas or electricity supplies

SECTION 7: VOLUNTARY AGREEMENTS

7.1 Please indicate the need for any agreements to achieve environmental acceptability and after use programme identified in pre-application discussions

(Please attach: outline or draft agreements)

SECTION 8: NOTIFICATION AND CERTIFICATE OF APPLICATION

THE APPLICATION MUST BE ACCOMPANIED BY THE APPROPRIATE CERTIFICATES AND NOTICES REQUIRED BY THE TOWN AND COUNTRY PLANNING ACT 1990, AS IF IT WERE AN APPLICATION FOR PLANNING PERMISSION.

(Please attach: appropriate certificates and notices - copies are enclosed at the end of this form. If the application relates to underground mining operations you should ask for a special certificate)

I/we hereby apply for approval of the conditions as described in the application and accompanying schedule and plans.

I/we enclose the following certificate relating to land ownership (please tick one box) **and the agricultural holdings certificate.**

Certificate A B C D

Signed On behalf of

Date Insert applicant's name if signed by agent.

SECTION 9: ENVIRONMENTAL IMPACT ASSESSMENT (EIA)

9.1 Please tick all appropriate boxes

		Yes	No	Not Applicable
i	Has an Environmental Statement been submitted with this planning application? If 'Yes' go to question 'd)'			
ii	Has a Screening Opinion for your proposal been obtained from the Council?			
iii	If an Opinion has been obtained did this conclude that EIA was required?			
iv	Is the applicant willing to make additional copies of the application documents, including the Environment Statement available for public inspection at locations other than the offices of the Council?			

9.2	If you ticked YES please provide the address and days/times (hours) where information can be inspected.
Address:	
Days: Times:	

9.3	Please specify the price of the Environmental Statement and address where this can be obtained for purchase.
Address:	
Document Title Price (£).....	

NOW CHECK - That you have enclosed

- i. 3 copies of the location plan with the permission area(s) accurately marked (and, where relevant, showing any areas of adjoining land owned or under the control of the applicant accurately marked in blue);
- ii. 3 copies of the plans specified in section 6 of the application form;
- iii. 3 copies of the schedule of proposed operating and restoration conditions;
- iv. 3 copies of the appropriate certificate and notes required.

AND THAT ALL FORMS AND CERTIFICATES ARE SIGNED AND DATED
