Notes:

Item	Key/Action Points	Log Number (Action by)
1	<p>Introductions</p> <p>CW welcomed everyone to the meeting and thanked the Café Chaos for their hospitality in hosting the meeting at their venue. MOB informed every one of the health and safety and housekeeping issues.</p> <p>Introductions were made and apologies given.</p>	
2	<p>Paul Walker – Chief Fire Officer / Service Director</p> <p>Paul Walker (Service Director for Resilient Cornwall) ran through the attached PowerPoint presentation.</p> <p>PW informed the group that the Localism joined his Directorate remit recently and he has been busy out meeting the Localism Service. After the May Elections he may look to tweak the way Localism is operating and will be asking Town/Parish Councils what they think and how it can work for them.</p> <p>Cornwall's CCTV Control Centre is run out of Tolvaddon and PW informed the group that they are welcome to visit the Centre to see how the operation works.</p> <p>Questions</p> <p>PW informed the group that Resilient Cornwall has been involved in the recent NHS STP discussions and they play a key role in health issues.</p> <p>CW stated that the Panel members have been briefed regarding the STP and have invited representatives back to the Panel meeting in 6 months for an update.</p> <p>BR (Feock) and RN (Chacewater) asked for help regarding Community Emergency Plans. Action - MOB to contact the relevant Parish Councils</p> <p>JG raised concerns regarding response times with the Co-Responder Service as it is an important service to the Roseland. PW said it was totally right about the Co-Responder issue but this was due to issues with the Ambulance Trust not meeting their 8 minute response time.</p>	<p>MOB</p>

	<p>at first plus relevant training takes place.</p> <p>JH started discussions relating to connecting the Localism concept with road safety. In Gerrans Parish, they feel locally it should be a 30 mph area but the Government states otherwise. If Localism is to work then surely the local community should be able to make this decision on what they want? There is a high number of small communities who could benefit. BR agreed as they also have an issue with speeding towards the King Harry Ferry.</p> <p>PW said that he will see if this could be discussed as part of one of the next phases of the Devolution Deal. There is a need to be realistic on how it's going to happen but there is a real opportunity to get it right.</p> <p>A member of the public stated that they are glad they attended the meeting and it was nice to see departments working together.</p> <p>KH said she thinks Localism is exciting, but there is a need to get the young people involved and change the culture. Meetings like this could be intimidating to some and there is a need to look at how we get the community to attend.</p> <p>CW informed KH that previously we have invited young people to the meeting and we hope to do it again in the future.</p> <p>CW thanked PW for attending the meeting.</p> <p>P. Walker and P. Wellings left the meeting</p>	
	<p>Katy Hutchinson – Chief Executive Officer, Stayathome Cornwall part of The Chaos Group</p> <p>KH informed the meeting that the CHAOS Group was formed after it became apparent that a number of vulnerable people's needs were not being met across Cornwall. The CHAOS Group was set up as a Community Interest Company so that they could access grant funding. See attached leaflet.</p> <p>The Group is about response to situations and has had training in Conflict Management. This helps them with current work they are doing which is working out on the streets with the homeless people. There has been some wonderful work taking place. It is all about building relationships.</p> <p>Food poverty and homelessness are growing issues. A Building Better Opportunities Bid has been submitted which will be working with Pentreath, Addaction and Active Plus to help work</p>	

	<p>with the hard to reach groups and individuals. The programme aims to benefit local communities by reducing poverty and anti-social behaviour. It will also contribute to the growth of the local economy with employers having access to a pool of people with the relevant skills to meet their needs.</p> <p>KH asked the delegates of the meeting to help raise awareness of the work that they do.</p> <p>The Café is open Mon to Fri, 8.30 till 5pm and they offer 'Taste & Discover' evenings every other Friday.</p>	ALL
5	<p>Notes of last Panel meeting (15 November 2016)</p> <p>To agree the notes as a correct record (copy circulated with the agenda)</p> <p><u>Post Office</u></p> <p><i>It was reported that the Post Office was also consulting on a proposal to move the main post office in Truro from its current location at High Cross into WH Smiths store on Pydar Street.</i></p> <p>A letter was drafted and sent to the Post Office expressing the Panel's concerns. A response was received and circulated with these notes.</p> <p>The issue is now being investigated by Steve Horscroft, Economic, Growth & Development Officer.</p> <p>LR thanked MOB for his involvement in this matter and informed the group that MOB drafted was an outstanding, concise letter and he is disappointed with the Post Office's response.</p> <p>Previously the Post Office disappeared on Lemon Quay when the Spar Shop closed down and despite the Post Office saying they would relocate it, it has never returned.</p> <p>RK informed the group that the Chacewater post box was removed overnight and they were informed that they could use the post box in Wheal Busy. This is too far and too dangerous for people to walk to. Despite Royal Mail agreeing to relocate a box in Chacewater, it is yet to happen.</p> <p>Stithians have also had a problem but they were told it is due to volume not area.</p>	

<p>6.</p>	<p>Panel Priorities</p> <p><u>Traffic Management</u></p> <p>A390 Works are ongoing.</p> <p><u>Flooding</u></p> <p>The Cornwall Community Flood Forum have aired their concerns within a letter regarding 'SUDS'. The letter has gone forward with the endorsement of Dr Dave Watkins, seeking clarification on drainage systems. A copy of the letter to be circulated.</p>	<p>MOB / SS</p>
<p>7.</p>	<p>Issues Raised by the Panel Members</p> <p><u>Cllr John Dyer</u></p> <p>JD raised concerns regarding the drainage system in Kenwyn Valley. There are 300 new houses, 2 supermarkets and a stadium planned. It has not been planned properly and plans are due to be presented in September. We need to be sure that the systems will work.</p> <p><u>Cllr Julian German</u></p> <p>It was suggested that the Homelessness / Drugs issue is put as an Agenda Item for the next meeting. It was also suggested that we could reflect upon what the Panel has done over the last four years. A further suggestion was around engagement with young people and what could be done to get more young people involved.</p> <p>JG stated that there had been a number of resignations from the Roseland Participation Group and perhaps we should get help from Katy/CHAOS on how to recruit young people.</p> <p><u>Cllr Mike Eathorne Gibbons</u></p> <p>MEG asked for the topic of 'Speeding' to be added to the Agenda for the next meeting.</p> <p>BRichards agreed with the speedwatch issue and if there is to be a future in Localism, this is the best place to start with.</p> <p><u>Mark O'Brien</u></p> <p>MOB informed the group of the Residents Survey Results. Document to be circulated.</p> <p>JG asked if the data could be broken down to Lower Super Network Levels. MOB/SSa to investigate.</p>	<p>MOB</p> <p>MOB/SSa</p>

	<p>Consultations</p> <ul style="list-style-type: none"> • Health and Social Care – finishing 20 January 2017 • Anti-Social Behaviour Strategy – finishing 10 February 2017 • NHS Non-Emergency Transport (Julian German informed group) – finishing 6 March 2017 <p>https://www.kernowccg.nhs.uk/events/2017/01/nepts-consultation-drop-in-session-(crch)/</p>	
8.	<p>Date of next meeting:</p> <p>Date – 14 March 2017</p> <p>Time - 7.00pm</p> <p>Venue – to be agreed</p> <p>Themes:</p> <ul style="list-style-type: none"> • Speeding
