

KS2

This key will go with your map to show where all the unsafe areas are on your journey to school...

Key (put your sticker here)	Why is this area unsafe?	How could you make it safer?

Helpful hints...

- In the second column tell us why the area is unsafe. For example; 'we have to cross the road here,' 'there are lots of cars parked so we can't see,' 'the pavement is very narrow here,' 'the cars drive very fast here'.
- In the third column think of ideas to make it safer. For example; 'we would like to have a school crossing patrol here,' 'a speed limit of 20mph would be good,' 'speed cameras would make the traffic slow down.'
