<u>Appendix C Summary Affordable Housing Trajectory</u> (original) and <u>Appendix C Summary Affordable Housing Trajectory</u> (revised - following Inspector's feedback. On receipt of the Council's pre-hearing statement last week (MCC HS 1.1) to which the Affordable Housing Trajectory – Methodology (Appendix B) was attached, the Inspector did not find it easy to relate all the figures in the text to the sub-totals in the table (appendix 1 Summary Trajectory). He therefore asked the Council to expand the table so as to have a line and figure for every item mentioned in the text, added for the various sub-totals currently shown. The attached has been received this morning from the Council. You will see that the Council has added figures (drawn from the existing text) to each of the footnote items.	4 th May 16	N	MCC.HS.1.2	Y
