

Challenging Behaviours

Support Group for Parents & Carers 2018

If you find your child's behaviour difficult to manage and you are worried about ADHD, ADD, and ASD, then come to our free monthly group. Meet other parents with similar challenges, ask our speakers questions and get friendly support and advice. No diagnosis needed to attend.

St Johns Hall, Penzance TR18 2QZ
Room 3.02 from 10am - 12 noon

Speakers

Jan 30th

Sharon Wynne, Parent Volunteer Scope Oasis Group - Face2Face

Talking about her experiences as a parent of a child with additional needs and her role providing volunteering support with Face2Face.

Feb 27th

Kay Elliott, Early Support Worker, Social Care Innovation Programme (SCIP)

Bringing together education, health and social care services to meet the needs of children and families.

March 27th

Sue Russell, Independent Support Practitioner SENDIASS

Talking about her role and the support offered by Disability Cornwall

April 24th

Penny Woodward, Support Worker for HeadStart Kernow and Bloom

HeadStart is a Lottery funded project for 10 -16 year olds to bring about better outcomes for children and young people.
