Dear Representor,

Examination of the Cornwall Site Allocations Plan Document

Please Note the changes to the Programme Officer contact information above.

Due to internal circumstances and other responsibilities becoming apparent, a decision has been made that Jo McCabe will lead on the examination.

I am an independent officer of the examination and work on the Inspector's behalf, organising and managing the administrative and procedural matters of the examination process.

This letter requests specific action from Representors, indicated in bold italic.

Enclosed with this letter is a detailed Programme Version 2, INSP.S7.1, this document is an updated version of document INSP.S7, but remains a travelling draft.

However, please note that matters related to the consultation and the preparation of the plan with regard to the Council's SCI and LDS fall under Legal Compliance issue (c) on Day 1. To avoid repetition during the hearings on each town, the inspectors ask that any party who wishes to raise substantive issues related to these general matters appear on Day 1.

Please therefore confirm whether you wish to speak under Legal Compliance issue (c) instead of or in addition to site-specific matters.

Please inform the PO by noon, Monday 19th February 18.

Yours faithfully,

Jo McCabe
