Your enquiry, together with any response made by the Council, will be made available for public inspection unless you confirm in writing to us that the information provided is commercially sensitive. If the Local Planning Authority receives a request, under the Freedom of Information Act (FOI) or Environmental Information Regulations (EIR), to disclose information relating to the pre-application enquiry they are obliged to do so unless the information is deemed exempt under the Act.

**Note** - We can only withhold information under FOI or EIR if the information falls under one of the exemptions (FOI) or exceptions (EIR) set out in legislation. For certain pre-application issues the applicant would be advised to complete the commercially sensitive checklist that should set out the reasons why, and for how long, they feel any information relating to the case needs to remain confidential. However, whilst we will take account of these views, the final decision on whether the information should be withheld rests with the Council. The Council maintains compliance to the Data Protection Act and we will not release any personal information to third parties.
