Please note that there are responses from both Neighbourhoods and Public Protection and from Cornwall Fire, Rescue and Community Safety Service.

Neighbourhoods and Public Protection Response:

1. How many Public Spaces Protection Orders (sometimes known as Public Space Protection Orders or PSPOs) did the council implement in 2014, 2015, 2016, 2017 and between Jan 1st and May 3rd in 2018?

Public Protection implemented four PSPO’s

1- Dogs on beaches (various) – April 2017
2- Fouling – Oct 17
3- Parks and open spaces (various) – Oct 17
4- Dogs on lead by direction – Oct 17

1a. Could you please provide the text of the order (or a link to it) in each case for those PSPOs implemented in 2017 and from Jan 1st - May 3rd 2018?

This information is on our website:

2. How many fines were issued for a breach of a PSPO in each of 2014, 2015, 2016, 2017 and Jan 1st- May 3rd 2018?

This information is on our website:

Please note that this published data is dated until 31 March 2018. This data is updated quarterly so the data from 1 April onwards will be published sometime in July 2018.
We have used Section 22 of the Freedom of Information Act 2000 and a full explanation is below:

Under Section 22 (Information intended for future publication) of the Freedom of Information Act 2000 we will be releasing that information at a later date. In applying this exemption we have had to balance the public interest in withholding the information against the public interest in disclosure. The Council has concluded that the public interest test favours non-disclosure because although disclosure of this information would give answer this request fully now, the Council needs this time to formulate the document effectively before it is published on our website. Therefore in conclusion we are of the opinion that the balance of public interest favours non-disclosure of this information in all circumstances of the case at this time.

Please note that we did not introduce any PSPOs prior to 2017 therefore any fixed penalty notice statistics outline prior to April 2017 will not be for PSPOs for dog prohibitions and Oct 17 for fouling and parks

2a. For the fines issued in 2017 and Jan 1st-May 3rd 2018, please break these down according to which PSPO they were linked to. ie: '10 fines relating to PSPO x' and '8 fines relating to PSPO y' etc.

Please see question 2

3. Are there any consultations currently open (or recently closed and still under consideration) for new PSPOs? If so, how many and please provide a link to the consultations.

There are none under consideration at the moment.
