Please note that although the information contained in this document was correct as at 31 August 2018 in relation to the school year 2019/20, it cannot be guaranteed that there will be no changes before the start of, or during, the 2019/20 school year.

Welcome

Starting school is an important step for every child and their family. This booklet aims to provide all of the information you need to complete the application for a place in a reception class. Please do not hesitate to contact the **School Admissions Team** or **Family Information Service** if you have any queries or concerns. I wish your child every happiness and success as they start school.

Jane Black

About starting school

When do children start school?

If you have a child born between **1 September 2014 and 31 August 2015**, they will be eligible for a full-time place in a reception class from September 2019. This is a national offer for all children who have a birthday within these dates. Compulsory school age starts at the beginning of the term after a child has their fifth birthday.

Does my child have to start school full-time?

Places in reception will be allocated as full-time from September 2019. However, if you wish to ask for part-time admission until your child reaches compulsory school age you must arrange this with the school. Please note that if you wish to combine a part-time school place with any other provider, your child's free entitlement will be used to pay for the school provision.

What if I want my child to start school earlier than outlined above?

Children below compulsory school age or below the age for consideration for a reception class place are entitled to free funded places for nursery education for up to 15 hours per week (or 30 hours for eligible families). This provision is quality assured and Ofsted inspected and would be expected to meet the individual needs for children including those who could be 'gifted and talented' or who have Special Educational Needs. Therefore these children would not be expected to start school early.

What if I want my child to start school later than outlined above?

You are entitled to defer your child's entry to school in line with the details provided in the table on the next page. You can also request that your child starts in the reception class a year later than normal – this decision is made on a case-by-case basis. For more information go to the 'Deferring or delaying admission to school and educating pupils out of their chronological year group' page at www.cornwall.gov.uk/admissions or contact the School Admissions Team.

About starting school – information table

Child born	Compulsory school age
Between 1 September and 31 December 2014	Compulsory school age from January 2020 You can defer the school place until January 2020 – the school place will be held for you once you let the school know.
Between 1 January and 31 March 2015	Compulsory school age from April 2020 You can defer the school place until April 2020 – the school place will be held for you once you let the school know.
Between 1 April and 31 August 2015	Compulsory school age from September 2020 You can defer the school place until April 2020 – the school place will be held for you once you let the school know. Your child does not legally have to start school until September 2020 BUT the offer of a school place will be withdrawn and you will need to reapply for a place in year one. This will be treated as a new application and you need to make this in the summer term 2020 and there is no guarantee that a place will be available at your preferred school. Please note that if you decide to request a place in a reception class rather than year one in September 2020, having deferred the place for a year, this would be called delayed admission and needs to be agreed by the admission authority, usually in consultation with the Local Authority and other professionals. For more information go to the 'Deferring or delaying admission to school and educating pupils out of their chronological year group' page at www.cornwall.gov.uk/admissions or contact the School Admissions Team.

Applying for a school place

Responsibility for admissions

Cornwall Council co-ordinates applications for all schools in Cornwall using a process set out in the 'Co-ordinated Admissions Scheme' which is summarised in this booklet. The Scheme can be found at www.cornwall.gov.uk/admissions. Cornwall Council and schools must follow the School Admissions Code 2014. Each school has an 'admission authority' which sets the arrangements including the priority order they will use if there are more applications than places available – the 'oversubscription criteria'. Cornwall Council is the admission authority for community and voluntary-controlled schools. For foundation, trust and voluntary-aided schools the admission authority is the school's governing body and for academies it is the academy trust.

Identifying your preferred schools

Before you make your decision regarding the schools you would prefer for your child you may wish to visit several schools in order to find out more about them. You should contact the schools direct to arrange this. You could also have a look at the schools' websites or ask for a copy of their prospectus.

Listing more than one preference

The application form allows you to list up to three schools in order of preference. All of your preferences will be considered equally against each school's oversubscription criteria and if we are able to offer a place at more than one of your preferred schools we will offer a place at the one you have ranked highest.

Naming a second or third preference does not give you any less chance of getting a place at your first preference school

If we are not able to allocate a place at your preferred school we will allocate a place at the nearest school with a place available – listing a second and third preference means that you are more likely to secure a place at a preferred school rather than a school that you have not considered. It is strongly recommended that at least one of your preferences should be your **nearest or designated school** – you will not automatically be allocated this school should we be unable to allocate a place at one of your preferred schools. When making your decision, you should consider how you will get your child to school – see the 'Home to School Transport' section later in this booklet.

Designated areas

Cornwall Council has divided Cornwall into geographical areas called ‘designated areas’ (sometimes called ‘catchment areas’) which are each served by a specific school or schools. Designated areas assist the Council in ensuring there are enough school places and are also used to determine entitlement to school transport. **Please note that the designated school for an address may not always be the one nearest to that address.**

Please be aware that not all schools include ‘living in the designated area’ as a priority in their oversubscription criteria (the criteria that will be used to decide who should be allocated places when there are more applications than places available).

However, entitlement to transport to all schools is determined by Cornwall Council with regard to whether the school is in the designated area for a child’s home address or is their nearest school.

If you want to identify the designated school or schools for your address, access the designated area mapping system at www.cornwall.gov.uk/admissions or contact the School Admissions Team. If a property is near a designated area border shown on the mapping system it is advisable to check the designated school with the School Admissions Team.

Applying for a school outside Cornwall

If you live in Cornwall you need to apply to Cornwall Council for your preferred schools even if one (or more) is not in Cornwall. Cornwall Council will ensure your application is forwarded to the appropriate local authority. You should also contact the schools for details of any additional information that they may require from you to determine your child’s priority for admission, to be returned direct to them.

Living outside Cornwall

If you live outside Cornwall but you wish to apply for a school in Cornwall as one of your preferences you should apply to your home local authority. They will ensure we receive a copy of your application. If you live overseas but are planning to move to Cornwall by September 2019 you can apply direct to Cornwall Council.

Attending a nursery

Please note that attending a school’s nursery **does not guarantee your child a place at that school – you still need to apply**. The criteria in the school’s admission arrangements will be used to allocate places.

Service Families (UK Armed Forces)

Cornwall Council acknowledges that Service Families may be disadvantaged when applying for a school place as they are more likely to need to apply outside the normal admissions round when schools may already be full or be unable to provide a specific address ahead of a posting in good time for the relevant admissions processes. There are certain legislative provisions for the admission of children of Service Families and processes within the Local

Authority which seek to address the disadvantage that might be experienced by Service Families. These are described in the Local Authority's Service Families Protocol available at www.cornwall.gov.uk/admissions or from the School Admissions Team along with signposting to sources of support and further information.

Applications will be processed and places allocated **based on the proposed address** with supporting evidence **or**, if you are not able to confirm a proposed address and a unit or quartering address is provided, an allocation will be made based on the **unit or quartering address**. This is to ensure that your child is not left without a school place, although it is accepted that you may want/need to change your preference when a new address is confirmed in order to try to secure a school closer to that address. The School Admissions Team will then offer support and guidance, advising on available places and likely timescales.

Special Educational Needs

If an Education Health and Care (EHC) Plan has been issued for your child you do not need to complete an application form. Please contact the Statutory SEN Service (01872 324242) and see the section 'Special Educational Needs' for more information.

Home address

Each child can have one registered address only for the purposes of determining priority for admission and transport entitlement. This address should be the place where the child is normally resident at the point of application or evidence of the address from which a child will attend school, in the form of written confirmation of a house purchase or a formal tenancy agreement. Exceptional circumstances in relation to the provision of a home address will be considered on a case-by-case basis. If there is shared residence of the child or a query is raised regarding the validity of an address, the Local Authority will consider the home address to be with the parent with primary day to day care and control of the child. Residency of a child may also be clarified through a child arrangement order where it is shown who has care of the child. Evidence may be requested to show the address to which any Child Benefit is paid and at which the child is registered with a doctor's surgery.

It is expected that parents will submit only one application for each child - any disputes in relation to the child's home address should be settled before applying, the admission authority will not become involved in any parental disputes, if agreement cannot be obtained before an application is made then parents/carers may need to settle the matter through the courts. Where no agreement is reached or order obtained the admission authority will determine the home address. Please note the additional information under '**Fraudulent applications**' and the '**Privacy notice**' within this booklet in relation to providing a home address.

Shared parental responsibility – duplicate and disputed applications

Only one application can be processed for each child and only one offer of a school place made. Disputes on the preferred schools by those with parental responsibility should be settled between the parties, neither the Local Authority nor the admission authority will become involved in any parental disputes. If a person with parental responsibility submits an application that is disputed by another person with parental responsibility or if more than one person with parental responsibility submits an application with different preferences then those applicants may need to settle the matter through the courts. Where no agreement is reached or court order obtained in time for the Local Authority to carry out its duties in accordance with the published timescales, the Local Authority will decide which application to process and will make only one offer of a school place.

Fraudulent applications

Please note that if you make a false statement or omit any relevant and appropriate information in your application you could be subject to investigation and may potentially face criminal proceedings. The information you supply in the application may be shared, as the law allows, for the purpose of preventing and detecting fraud. The offer of a school place may be withdrawn if the application is found to be fraudulent.

You must notify the Council immediately of any change in your circumstances – failure to do so or providing false or misleading information may lead to prosecution action being taken against you.

As part of the process of ensuring that school places are allocated fairly, Cornwall Council undertakes address checks on a random sample of applications each year to ensure that information submitted by parents/carers is correct. If you are randomly selected you will receive a letter requesting evidence of your current address.

Cornwall Council may also request evidence where it is alerted to potential false statements. In either of these circumstances, any concerns about the validity of the information provided may lead to investigation and applicants could face criminal proceedings in addition to the withdrawal of the offer of a school place.

When you are ready to apply

Before 15 January 2019 go to www.cornwall.gov.uk/admissions and complete your online application.

Providing supporting information

If you believe that you should be given priority based on a particular oversubscription criterion in the school's admission arrangements please provide as much relevant information as possible with your application. Places can only be allocated using the written information that you give us. If you wish to send any supporting information after you have submitted your application it must be received by the School Admissions Team by 6 February 2019. After this date the allocation process will begin and it cannot be guaranteed that the supporting information you provide will be taken into account. **Please note that it is your responsibility to send any information that is provided outside the online application system to us securely.**

If one (or more) of your preferred schools is a school with a religious designation you may also need to complete an extra form or provide additional evidence to help them determine your priority for a place under their oversubscription criteria. You should ask the school or School Admissions Team whether this is the case and provide the required information direct to the school.

Late applications

Applications submitted after the deadline 15 January 2019 will not be processed until after all those submitted by the deadline.

In exceptional circumstances, for example due to medical reasons, a recent move into the area or a family returning from abroad, an application may be accepted for consideration with those received by the deadline (15 January 2019) if it is received by 6 February 2019, after which the allocation process will begin. If you think this applies to your late application please ensure that you explain the reasons to us in writing.

Application acknowledgement

The online application system will generate an automated email response to let you know your application has been submitted successfully.

Change of mind before the application deadline

When applying online you can change your preference(s) right up to the deadline of 15 January 2019. However, please remember that if you edit your application it is essential that you resubmit it – failure to do so will result in a non-application.

How places will be allocated

Allocation of applications submitted on time

If your application was submitted by the deadline 15 January 2019 it will be considered at the same time as all other applications received by the deadline. No priority is given on the basis of the order that applications were received before the deadline. All applicants will be listed in priority order for admission to each school, regardless of whether the school is named as a first, second or third preference. So if you name three preferences, your child will appear on three lists. We will offer places up to the Published Admission Number (PAN) for each school i.e. the maximum number of children that a school will admit to the year group. If your child qualifies for a place at more than one of the schools you have expressed a preference for a place will be offered at the one you have ranked as your highest preference on your application form. Only one offer of a school place will be made for each child.

Late applications

After the allocation of places for on-time applications, known as 'round one', i.e. those received by 15 January 2019, there will be a further deadline for late applications of **26 April 2019**. Late applications received between 15 January 2019 and 26 April 2019 ('round two') but not considered to be exceptional will be dealt with together and parents will be notified by 28 May 2019. Round two late applications for oversubscribed schools will be added to waiting lists after 26 April 2019, together with the names of children who have already been refused places at the school whose parents have indicated that they want their children's names to be added to the waiting list for that school.

Applications received after **26 April 2019 until 31 August 2019** will be dealt with on a daily basis but only after the round two allocations have been made. The deadline for these applications will be midnight each day. Applications received after 26 April 2019 for oversubscribed schools will only be added to waiting lists if requested by parents after they have received their refusal.

If a place becomes available at an oversubscribed school it will be allocated to the child at the top of the waiting list (which will list children in the priority order of the school's oversubscription criteria) regardless of whether the application for that child had been late or on-time. However, children with an Education, Health and Care Plan and children in care or children that were previously in care will take precedence over those on the waiting list.

Priority order

Where there are more applications than there are places available the school's oversubscription criteria will be used to determine the priority order for places. The oversubscription criteria are summarised in the 'School details' section later in this booklet or can be found in full at www.cornwall.gov.uk/admissions or on the individual school's website.

After you have submitted your application

National Offer Day – 16 April 2019

If you submit an application by 15 January 2019 you will be sent a letter in the post on **16 April 2019** telling you which school you have been allocated. If you opted through the online application system to also be notified by email you will receive this on 16 April 2019.

Notification of a school place allocation

You do not need to do anything when you get your notification unless you have changed your mind or your circumstances have changed, in which case you should contact the School Admissions Team for advice. The letter offering a school place will ask you to confirm in writing if the place is no longer required. If you do not respond it will be assumed that the place is accepted. If your child fails to arrive at the allocated school at the beginning of the school year 2019, the procedure described in the Co-ordinated Scheme 2019 will be followed.

Appeals

If it has been necessary to refuse a place at a preferred school you will have the right to appeal to an independent panel - the letter will tell you how to do this. You will have 20 school days after you receive your notification to appeal the decision. Appeals must then be heard within 40 school days of this deadline.

Appeal timetable

By 15 May 2019: Parents to submit appeals or requests for their children to be added to waiting lists (on-time applications)

June 2019: Appeals will take place (mainly for on-time refusals)

July 2019: Appeals will take place (mainly for round two refusals)

July/August 2019: Appeals will take place (mainly for refusals after round two)

Applying/appealing again

A further application within the same academic year will only be accepted if the admission authority decides that there has been a significant and material change in your circumstances or that of your child or the school. You can only appeal again for a place in the same school within the same academic year if the admission authority has accepted a further application but has refused the place again.

Waiting lists

Cornwall Council or individual admission authorities will maintain waiting lists for at least the first term of the academic year of normal point of entry admission (the reception class intake). The waiting list will be based on the school's oversubscription criteria and a child's place on a waiting list is subject to change according to additional information received about applications or children being added to the list – so their place on the list might move up or down. **No priority is given to the length of time that a child has been on the list.** Children with an Education, Health and Care Plan and children in care or children that were previously in care will take precedence over those on the waiting list. Children admitted under the Fair Access Protocol will also be given priority over children on the waiting list.

A child that is at the top of the waiting list will not necessarily be eligible for a place when a child leaves that year group. If the school is already over its Published Admission Number then a place will only become available when the year group falls below this number. In addition, pupils admitted after a successful appeal or under the Fair Access Protocol will have priority for a place. With this in mind you may wish to consider submitting an appeal for a place at your preferred school if you have not done so already, rather than waiting for a place to become available.

Where a school holds a list for the whole of the academic year parents will be reminded during the summer holidays that the waiting lists are being reviewed and that they have the option to remain on it for a further year. If parents do not respond to the reminder it will be assumed that they no longer require their child's name to remain on the waiting list. Random audits may also be undertaken throughout the year to ensure that waiting lists are up to date.

Change of mind

If you have been allocated a place at a school but then change your mind and wish to express a preference for a different school please put your request in writing to the School Admissions Team. Please note that you would have to give up the allocated place and your changed preference(s) would be processed as a late application.

Change of address before a place has been allocated

If you change address before the offer date of 16 April 2019 you should tell the School Admissions Team in writing. A change of address may affect your child's priority for a place at a school or your entitlement to transport. Address changes should be notified as soon as possible and all such notifications received by 6 February 2019 (after which the allocation process begins) will be taken into account when considering your child's priority for a place at a school. You must provide evidence of the change of address to the School Admissions Team in the form of confirmation of exchange of contracts relating to a house purchase or a copy of a signed, dated tenancy agreement. If you fail to notify Cornwall Council of your change of address and you are allocated a place at an oversubscribed

school on the basis of your previous address Cornwall Council reserves the right to withdraw that allocation.

Change of address after a place has been allocated

If you change address after the offer date of 16 April 2019 you should tell the School Admissions Team in writing. A change of address may affect your entitlement to transport. However, as long as your move takes place after the allocation date an allocated place would not be withdrawn if you wish to retain it.

Home to school transport

The responsibility for a child's attendance at school rests with the parents/carers. This includes making the necessary arrangements for travel to school, including accompanying your child (or arranging suitable supervision) to and from school as necessary.

Cornwall Council provides transport free of charge to school in line with its duties under Section 508 and 509 of the Education Act 1996 and Schedule 35B inserted by the Education and Inspections Act 2006.

Please note that eligibility for transport to school is assessed separately from admission to school and allocation of a school place should not be taken as an indication that transport will be provided.

The designated areas used to determine eligibility for transport to school are those defined by Cornwall Council and may occasionally differ from the designated areas used (if any) in an individual school's admission arrangements. To find out the designated school or schools for your address go to www.cornwall.gov.uk/admissions or contact the School Admissions Team.

If you are in any doubt as to whether your child would be eligible for home to school transport please contact the Pupil Transport Team (0300 1234 101) to confirm before submitting your application.

Will my child be eligible for transport free of charge to school?

Transport will be generally limited to those children attending the nearest primary school to their home address (or the designated school for the address if it is not the nearest) and living:

- more than two miles away for children in Reception, Year 1, Year 2, and Year 3;
- more than three miles away for children aged eight and above in Year 4, Year 5 and Year 6;
- more than two miles away for children aged eight and above in Year 4, Year 5 and Year 6 from families on a low income, defined as being eligible for free school meals or claiming the maximum level of Working Tax Credit.

Distances for transport purposes are measured using the shortest available walking route as determined by Cornwall Council. However, transport may also be provided in some

other circumstances, such as when a child's Special Educational Needs or disability requires it, the nature of the route is deemed by the Local Authority to be unsuitable for pedestrian use, or if there are exceptional circumstances. See the full Home to School Transport Policy at www.cornwall.gov.uk/schooltransport.

What if my preferred school is not the nearest or designated school?

If you are allocated a place at your preferred school and that school is not the nearest or designated school for your address, you will be responsible for transport to that school.

Please bear in mind that you will remain responsible for your child's transport to that school even if it later becomes the nearest school to you with room, or your family or financial circumstances change.

What if I apply for a place for my child at his or her nearest or designated school but he or she is offered a place elsewhere?

If you apply for a place for your child at your nearest (or designated) school but are not allocated a place because the school is full, you will be allocated a place at the school you named as your next preference, or at the nearest school with room if none of your preferences are available.

If the school at which your child is allocated a place is the nearest school to you with room, your child will be eligible for transport to school in accordance with the distance criteria listed on the previous page.

Transport type

Transport will be provided via the most cost-effective suitable method, as determined by the Local Authority. Suitable travel arrangements for children of primary-school age will usually consist of a seat in a taxi or minibus provided by the Local Authority. All drivers and passenger assistants who operate on such transport contracts are subject to vetting by the Disclosure and Barring Service (DBS).

Sustainable travel to school

When you are thinking about the schools you would like your child to attend, it is important you consider the following:

Cornwall Council is fully committed to promoting walking, cycling, public transport (if available) and car sharing for the school journey. We would like as many children to walk or cycle to school as possible instead of being driven by their parents/carers. Evidence shows that school travel plans can have benefits ranging from increased road safety to healthier, more alert and engaged pupils, to increasing independent travel and associated life skills for pupils with Special Educational Needs. Enabling the increased use of sustainable modes of travel such as walking, cycling and the use of public transport has environmental benefits in reducing levels of noise, congestion and poor air quality - the latter being a particular risk for children.

Special Educational Needs

Children and young people with Special Educational Needs (SEN) have learning difficulties or disabilities that make it harder for them to learn than most children and young people of the same age. These children and young people may need additional or different help.

Many children and young people will have SEN of some kind at some time during their education. Early years settings (for example, nurseries or childminders), mainstream schools, colleges and other providers can help most children and young people succeed with adaptations to their practice and some additional support. But there are a small number of children and young people who will need extra help for most of their time in education and training.

If a school or setting thinks that your child may have SEN they will discuss your child's needs with you, tell you what they will be doing to support them and how you can help. Children and young people identified as having SEN are described as being at 'School Support'.

If you are concerned about your child's needs or progress you should speak to their class teacher first. They may then share your concerns with the school's Special Educational Needs Co-ordinator (SENCO). Every school has to have a SENCO. They will also be available to discuss your child's needs and the arrangements to support them.

A very small proportion of children and young people need a more intensive level of specialist help that cannot be met from the resources available to schools and other settings. In these circumstances, you or your child's school or other setting could consider asking Cornwall Council for an Education, Health and Care (EHC) needs assessment for your child. This assessment could lead to your child getting an EHC Plan. Some children and young people will have needs that clearly require an EHC needs assessment and plan and when Cornwall Council is aware of them it will start without delay.

Wherever possible, Cornwall Council aims to provide for children with SEN in mainstream schools. This includes most children with EHC Plans. However, for children with the highest level of need Cornwall Council has four Special Schools and some Area Resource Bases (ARBs) attached to mainstream schools. To attend a Special School or ARB a child or young person must have an EHC Plan. All admissions to Special Schools and ARBs are decided by Cornwall Council. Placement at a Special School outside Cornwall is possible in exceptional cases where no appropriate provision is available in Cornwall. Education is also provided for children in hospital and for those who cannot attend a school or educational setting for medical reasons.

If your child has an EHC Plan you are not required to make an application through the online admissions scheme. School admissions for children with an EHC Plan will be handled by the Statutory SEN Service, outside the Co-ordinated Admissions Scheme. Any application for these children will be processed in accordance with the SEN Code of Practice and associated regulations. See contact details on the next page.

Sources of information and support

Statutory SEN Service, Cornwall Council

Tel: 01872 324242

Email: statutorysen@cornwall.gov.uk

SENDIASS

The Special Educational Needs and Disability Information, Advice and Support Service (known as SENDIASS) is an independent service for the parents of children with SEN. It can be contacted by telephone or via the SENDIASS website.

Tel: 01736 751921

www.cornwallsendiass.org.uk

The Local Offer

The Local Offer aims to help families of children and young people with SEN by gathering useful information, in one place, so they can make informed choices about support. Cornwall's Local Offer describes the provision and guidance available for children and young people with SEN, aged 0 to 25, with or without an EHC Plan.

Go to www.cornwallfisdirectory.org.uk for more information.

SEN Information Report

Every school has to prepare a SEN Information Report. This will be on each school's website. The report needs to include things such as the types of SEN support the school provides and arrangements for consulting families and involving them in their child's education.

Department for Education Guidance

The Department for Education has provided a summary guide for families 'Special educational needs and disability Guide for parents and carers August 2014':

www.gov.uk/government/uploads/system/uploads/attachment_data/file/417435/Special_educational_needs_and_disabilites_guide_for_parents_and_carers.pdf

School meals/free school meals

Universal Infant Free School Meals (UIFSM)

All children who are in Reception, Year 1 or Year 2 in a state-funded school are offered a free healthy school lunch.

Free School Meals

Children in other school years will also be offered a free school lunch if their parent is receiving any of the welfare benefits listed below:

- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Support from NASS (National Asylum Support Service) under part 6 of the Immigration and Asylum Act 1999
- The guarantee element of State Pension Credit
- Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190
- Working Tax Credit run-on
- Universal Credit, provided you have an annual net earned income ('take-home' pay) not exceeding £7,400 (£616.67 per month)

Please note that Working Tax Credit claimants are NOT eligible for Free School Meals, regardless of what other credit/benefits are being claimed.

You become temporarily eligible to claim free school meals if you receive a Working Tax Credit run-on. This is the payment someone may receive for a further four weeks after they stop qualifying for Working Tax Credit. In order to qualify for free school meals after the four week period expires, you will need to be in receipt of one of the other qualifying benefits listed above.

If your child is eligible for Free School Meals at any time after 1 April 2018, he or she will be entitled to them until 31 March 2022, even if your family's financial circumstances change.

Pupil Premium: registering could raise money for your child's school

Registering for free school meals, **even if your child is entitled to the UIFSM**, could raise an extra £1,320 for your child's school to fund valuable support like extra tuition, additional teaching staff or after school activities. This additional money is available from central government for every child whose parent is receiving one of the welfare benefits listed above. It is therefore important to sign up even if your child is in Reception, Year 1 or Year 2, so that the school receives the maximum funding.

For more information and to register:

Website: www.cornwall.gov.uk/schoolmeals

Email: schoolmeals@cornwall.gov.uk

Telephone: 01872 323298

For all other pupils not eligible for a free school lunch, meals are available to purchase at all schools in Cornwall. It is the parent/carer's responsibility to ensure that their child is provided with money to purchase these meals. Details of the meal prices should be available from individual schools. Facilities are also available at schools for pupils who wish to bring packed lunches.

Changing schools

If you need to change schools during the school year, you can apply to Cornwall Council using the 'Changing Schools In-Year Application Form' available on the website www.cornwall.gov.uk/changingschools or contact the School Admissions Team.

Fair Access Protocol

All local authorities are required to have a Fair Access Protocol which applies to all schools in their area. This document sets out how Cornwall Council and schools will ensure that a school place can be found quickly for children who have not been able to secure one during the school year, outside the normal admissions round, particularly those children that are considered to be vulnerable. This includes children that are considered to have challenging behaviour where the Local Authority must ensure that no school is expected to take a disproportionate number of those children. To find out more about the Protocol, go to www.cornwall.gov.uk/fairaccess or contact the School Admissions Team.

School information

School results

If you would like to know about results and reports for your preferred schools or to compare schools you can either have a look at the Ofsted website www.ofsted.gov.uk which will have the school's last inspection report, have a look at the school's website for results or contact the school direct.

Home School Agreements

Home School Agreements set out what is expected of and for children and families at a school. You should not be asked to sign an agreement before a place is offered or as a condition for being allocated a place.

School uniform

A school's governing body are responsible for the school's policy on school uniform. For more information, contact the school. Cornwall Council does not provide a uniform grant.

School details

The following table has basic information about each of the primary schools in Cornwall. For further information please contact the school direct or go to their website.

Explanations for each of the headings in the table are as follows:

School and contact details

The school's name, address, telephone number and website. Enquiries should be directed to the headteacher in the first instance.

School type and age range

This column refers to the school's type and age range. Please note that some schools may change their type in the school year starting in September 2018, after publication of this booklet. However, the oversubscription criteria will remain the same for 2019/20. Definitions of school types can be found in the Glossary at the end of this booklet.

2018 on-time applications

This column lists the number of first, second and third preference **on-time** applications received for September 2018, followed by the number of on-time applications allocated to places. It is recommended that you contact the schools you are interested in to find out the accurate details of current numbers on roll as the preferences stated only reflect the on-time applications and not the final numbers that have started at the school which may be different.

PAN 2019

This column shows the school's published admission number (PAN) for 2019/20. This is the maximum number of children that a school will admit into reception which is agreed before the admissions process begins.

Oversubscription Criteria

If the number of applications exceeds the published admission number, the school's oversubscription criteria will be applied. **Please note that this is just a summary of the criteria and you should look on the Cornwall Council website www.cornwall.gov.uk/admissions, contact the school or look on their website for the detailed criteria with definitions to understand how places will be allocated.**

New school – Newquay

Nansledan School (Skol Nansledan in Cornish) will open as part of the Duchy of Cornwall's new community on the outskirts of Newquay and will be run by the Aspire Academy Trust.

The school will initially take reception-age pupils in September 2019, gradually expanding to fill reception to year 6.

More information can be found on the school's website: www.nansledanschool.org

How can I apply?

There is a separate application form to allow you to apply for a reception place at this school, available at www.cornwall.gov.uk/admissions.

Before completing this application form you must have applied for schools that are already open through the online admission system (or request a paper form from the School Admissions Team).

The reason for this is that, until the Funding Agreement has been signed for Nansledan School to open in September 2019, we will only be able to make provisional offers of a place for eligible children. We will offer you a place at the highest preference school at which your child is eligible for a place. If this is Nansledan School, this will be a provisional offer, alongside an offer of a school that is already open, until the school's Funding Agreement has been signed.

Privacy Notice – school place applications

Who will control my data?

The Data Controller for all of the information you provide on your school place application form is Cornwall Council, New County Hall, Treyew Road, Truro TR1 3AY. Data Protection Registration Number: Z1745294.

Where can I get help?

If you need help with completing the school place application form please contact the School Admissions Team on 0300 1234 101 or by emailing schooladmissions@cornwall.gov.uk.

For further information or assistance on Data Protection matters please contact the Practice Development and Standards Service on 01872 327617 or email csfdpa@cornwall.gov.uk

Why are you collecting information about me and my child?

All of the information collected on your school place application form allows us to allocate a school place in accordance with the statutory requirements of the School Admissions Code 2014 and local policies. Without this information we will not be able to allocate a school place for your child.

What information is needed?

The questions on the application form are all required to allow us to process your application and to assess your child's eligibility for a school place when considered against the Council's and school's policies for admissions. We will use the information provided on your application form and any supporting information provided by you to assess eligibility. We strongly recommend that you read the information and guidance provided at www.cornwall.gov.uk/admissions or on request from the School Admissions Team to understand what information will be used during the allocation process, in particular the school's oversubscription criteria.

As part of the school place allocation process we may need to refer to information that Cornwall Council and your child's current or previous school/s already hold about your child. This information will be used to allow us to carry out the admissions process following the agreed policies and it may be shared with prospective schools as far as necessary to allow them to apply their own policies or to ensure that the appropriate support is in place for your child on admission. Information referred to could include details about behaviour, attendance or safeguarding. The information may also be used to allow us to consider your application under the Fair Access Protocol.

How will you use the data and information I provide?

The information you provide on your school place application form and any supporting papers will be used to:

- process your application;
- allocate school places in accordance with admissions law;
- consider and process admission appeals;
- populate or update our education database and allocation process databases; and
- contact you in relation to your application.

We may also use the information you provide for the following purposes:

- Forward planning as part of budget, forecasting and reorganisation proposals.
- To assist in the development of policy proposals.
- For the prevention and/or detection of crime or fraud.
- To follow up on safeguarding concerns.
- For research and statistical purposes, where data will be anonymised.

How will you contact me?

We will contact you by email if you provide an email address on the application form. At your request or in the event that we cannot contact you by email we will also send a letter to your postal address regarding the outcome of your application. We may also need to contact you by telephone in relation to your application.

Who will you share the data and information with?

The information you provide will be shared with prospective schools during and on completion of the allocation process. Additional information that Cornwall Council and your child's current or previous school/s already hold about your child may also be shared with prospective schools where this is relevant to the admissions process. All of this information may also be shared as follows:

- In the event that you submit an appeal against a school place refusal, your application form and any supporting information will be shared with Cornwall Council's Education Appeals department.
- If you are making an application for school places outside Cornwall, we will need to share the information with the relevant other local authority/authorities.
- In order to support the delivery of local and national health initiatives, e.g. health screening and child immunisation programmes, we may share school admissions information with the Cornwall Partnership NHS Foundation Trust. This will include the name, date of birth, address and school attended or due to attend of the child who is the subject of the application form. The sharing would be subject to an Information Sharing Agreement.
- Relevant information that you provide on your application form and any supporting information you provide may be used to deal with matters connected with your child's education, for example school transport and school meals. It may also be

used to update any other records which either the Council or schools hold in relation to your child.

How will you store and transfer the data and information?

Your application form and supporting information will be stored securely by the School Admissions Team both electronically and in hard copy. Any data shared outside the Council will be transferred in a secure, electronic format.

How long will you keep this data and information for?

Data and information on and relating to your appeal will be retained until your child reaches the age of 25.

What are my data rights?

Your personal information belongs to you and you have the right to:

- be informed of how we will process it;
- request a copy of what we hold about you and in commonly used electronic format if you wish (if you provided this to us electronically for automated processing, we will return it in the same way);
- have it amended if it is incorrect or incomplete;
- have it deleted (where we do not have a legal requirement to retain it);
- withdraw your consent if you no longer wish us to process;
- restrict how we process it;
- object to us using it for marketing or research purposes;
- object to us using it in relation to a legal task or in the exercise of an official authority;
- request that a person reviews an automated decision where it has had an adverse effect on you.

How do I exercise my rights?

If you would like to access any of the information we hold about you or have concerns regarding the way we have processed your information please contact: Data Protection Officer, Assurance, Cornwall Council, County Hall, Truro, TR1 3AY. Telephone: 01872 326424. Email: dpo@cornwall.gov.uk

In the event that you no longer wish us to process the information for the purposes described in this Privacy Notice you may withdraw your consent at any time by giving us written notice. You should understand, however, that we may nevertheless need to continue processing some or all of your personal information in accordance with our statutory obligations.

What if I do not agree with something?

Our complaints team can be contacted via the following address: Quality Assurance Business Manager, Children, Schools and Families, Cornwall Council County Hall, Truro, TR1 3AY or email csfeedback@cornwall.gov.uk

We would prefer any complaints to be made to us initially so that we have the opportunity to see if we can put things right. However, if you are unhappy with the way we have processed your information or how we have responded to your request to exercise any of your rights in relation to your data, you can raise your concerns direct with the Information Commissioner's Office Tel No. 0303 123 1113. Website: <https://ico.org.uk/concerns/>

Consent

By completing and submitting your application you give your consent that all of the data and information you provide may be used for the purposes described in this Privacy Notice.

Glossary

Academies/free schools are state-funded schools which are independent from the local authority. The academy trust sets the admission arrangements but parents/carers still apply to the local authority for a place at the school.

Admission arrangements are the overall procedures used in the allocation of school places. Admission arrangements are set by the admission authority.

Admission authority is the body responsible for setting and applying a school's admission arrangements. For community and voluntary-controlled schools this body is Cornwall Council. For foundation, trust, voluntary-aided, academy or free schools it is the governing body or academy trust.

Community schools are maintained by the local authority which sets the admission arrangements.

Co-ordinated admissions scheme is the process by which local authorities co-ordinate the allocation of places for schools in the area.

Designated area: Cornwall Council has divided the County into geographical areas which are each served by a specific school or schools. They are used to determine entitlement to school transport. **Some** schools also use living in the designated area as a priority in their oversubscription criteria.

Fair Access Protocol is a document that sets out how Cornwall Council and schools will ensure that, during the school year, children without a school place, particularly the most vulnerable can be offered a place at a suitable school as soon as possible.

Foundation schools are maintained by the local authority and the governing body sets the admission arrangements.

Oversubscribed is where a school has a higher number of applicants than there are places available at the school.

Oversubscription criteria refers to the published criteria that an admission authority applies when a school has more applications than places available in order to decide which children will be allocated a place.

Published admission number (PAN) is the maximum number of children that a school will admit at the normal point of entry to a school. The number depends on the amount and type of accommodation available.

Trust schools are a type of foundation school which forms a charitable trust with outside partners.

Voluntary-aided (VA) schools are maintained by the local authority and the governing body sets the admission arrangements.

Voluntary-controlled (VC) schools are maintained by the local authority which sets the admission arrangements.

Family Learning – what is it all about?

Would you like to be able to support your child with their learning? Perhaps you need to refresh your own skills or just find out about the language and methods used in schools to teach your child. Family Learning delivers free courses across Cornwall to help parents and carers get back in touch with the school curriculum, support their children's learning, meet other parents and update their skills.

There are courses to help improve the support you can offer your child with maths, reading, writing or IT, including our new Scratch programming course. There are also courses designed to prepare you and your child for the transition between nursery and primary school or primary to secondary school.

All Family Learning tutors are DBS cleared for working with vulnerable children and adults.

To find out about free Family Learning courses in your area either call them on 0300 1231 117 or look at the Cornwall Family Information Service website and type Family Learning into their search box: www.cornwallfisdirectory.org.uk

Key dates

15 January 2019

Deadline for applications

16 April 2019

National Offer Day - when information about the outcome of your application will be sent out

By 15 May 2019

Parents/carers can submit appeals or requests for their children to be added to waiting lists

June 2019

Appeals will take place (mainly for on-time refusals)
