## General Guide for Employers and Voluntary Agencies Working with Children

## 1.0 What is a LADO?

- 1.1 The Local Authority Designated Officer (LADO) is a statutory role. The role and responsibilities are set out in Working Together 2018 and the process is set out in the South West Child Protection Procedures endorsed by Our Safeguarding Children Partnership (OSCP).
- 1.2 The LADO's primary function is to manage and have oversight of any investigation into an incident where an allegation of abuse or harm has been made against a professional or volunteer who has contact with children as part of their work or activities.
- 1.3 The LADO sits within the Children and Family Service in Cornwall Council.

## 2.0 When do you contact the LADO?

- 2.1 It is your responsibility to contact the LADO within 1 working day of an incident arising and **prior to any further investigation taking place** where it appears that an allegation or concerns about a person who works with children, has
  - 2.1.1 Behaved in a way that has harmed a child or may have harmed a child
  - 2.1.2 Possibly committed a criminal offence against or related to a child
  - 2.1.3 Behaved in a way that indicates he or she may pose a risk of harm to children

## 3.0 Are you satisfied that:

- 3.1 Your staff are aware and understand your Safeguarding Policy and Whistle-blowing Policy and that you have identified a senior member of staff to take the lead and handle safeguarding matters.
- 3.2 You can access HR support if required
- 3.3 Your staff know who to approach with a safeguarding issue and that your Safeguarding Lead is confident in liaising with the LADO including providing key relevant information at Professional Allegations Strategy meetings (PASM) and making key decisions
- 3.4 You have an appropriate system for keeping information relating to the allegation confidential and that filing and records can be kept separately to safeguard the data of the accused staff member or volunteer and your organisation's reputation.
- 3.5 You are able to support and monitor the accused staff member or volunteer and take interim protective measures to prevent any potential harm to the child involved if required

## 4.0 What is the LADO Process

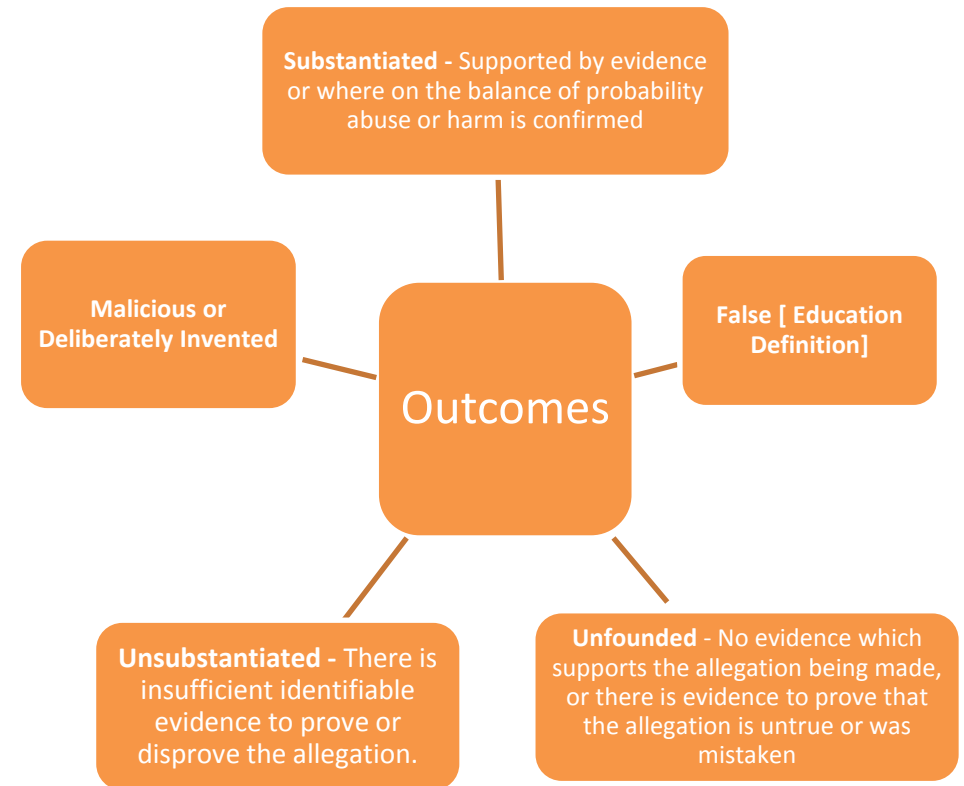

- 4.1 Please read this guidance in conjunction with the General Guide for Professionals and Volunteers working with children

## 5.0 What are the likely outcomes?

5.1 The LADO will assist the multi-agency participants including the employer/organisation to reach a consensus in respect of whether or not the allegation is substantiated and to prepare a Case Summary to reflect the concerns and action plan including;

5.1.1 Unsubstantiated or false; you will consider with the LADO how to inform the accused staff member or volunteer and consider any additional measures necessary to support the person back to work and/or to be able to resume their work responsibilities.

5.1.2 Substantiated; you will consider with the LADO whether your disciplinary investigation finds misconduct on the grounds of safeguarding concerns. You will consider whether the disciplinary sanction or gross misconduct amounts to dismissal of the person or ceases to use their services in which case a referral to the DBS and any professional regulatory body must be made.
