

Duke of Cornwall

Community Safety Award

Badge: The Community Award for 14 - 18 years of age.

About the badge: The badge will demonstrate how the individual can actively assist during and after an emergency. For example, helping at an evacuation centre or filling sandbags.

How it works:

This pack is designed to help 14-18 year olds achieve the Community Safety Award. Activities can be undertaken either at home or in the meeting place.

Award criteria and activities to complete:

There are five activities; all five are compulsory to gain the Award

Compulsory to complete:

- Complete a ten minute presentation of what should be included within a house hold grab bag with an explanation of why (within your group or to another section/uniformed youth organisation).
- Understand and explain why a house and its occupants should have an emergency plan, where it should be kept and what should be in it.
- Produce a leaflet/handout on what to do in an emergency (you may pick any emergency, i.e. snow, flood, heat wave or disease).
- Find out about an International Agency based in the UK that is involved in Disaster Relief, have a discussion within your group about the work they do. Relay the findings from this discussion to another section, at the appropriate level for that section.
- Disease, there are two types for you to look into; Human and Animal
 - What control measures would you implement to minimise the spread of human diseases.
 - Name three events that have affected the British economy due to Animal Diseases. What were they, how were they spread and controlled and what the impact on the economy was?
