The Council will have to be self-financing after 2022 with funds coming from Council tax, business rates and income from fees and charges. We will be asking people this year, through the draft budget online survey, how they would spend the budget, how much they would increase Council tax by or how else they would raise additional money, and if they would support the principle of voluntary contributions.</p> <p>www.cornwall.gov.uk/budget2018</p>
