2.	<p>Cornwall Council Draft Budget 2019/20</p> <p>An opportunity to learn about and discuss the Council's draft budget for 2019/20 and MTFP.</p> <p>With the need to reduce spending by another £70 million over the next four years with Government grant decreasing and demand for services increasing the Council has to find ways to be more efficient and balance the budget. The Council will have to be self-financing after 2022 with funds coming from Council tax, business rates and income from fees and charges. We will be asking people this year, through the draft budget online survey, how they would spend the budget, how much they would increase Council tax by or how else they would raise additional money, and if they would support the principle of voluntary contributions.</p> <p>www.cornwall.gov.uk/budget2018</p>	7.05pm
