20th March 2019

Dear Cllr Egerton,

The Inspector's thank you for your letter of 13 March 2019 which I had passed to them on your behalf.

The Inspectors appreciate the understanding tone of your enquiry and regret that you found it necessary to write to them regarding the extended timescale of the Examination.

As your officers are already aware, this results from a combination of the need for additional work on the Plan by the Council, the Main Modifications consultation, competing commitments affecting the availability of the Inspectors themselves, which you kindly acknowledge, and increasing and conflicting demands on Inspector resources across the Planning Inspectorate at a time of great change, the latter having been the subject of considerable publicity.

However, please be reassured that the Report will this week (ending 22 March 2019) be placed with the Planning Inspectorate for processing and subsequent delivery to your officers for fact checking prior to formal delivery, thereby closing the Examination. It will then be for the Council to decide the timescale for the Plan to be adopted.

The Inspectorate will keep your officers informed of progress from now on.

The Inspectors trust that this reply is of some assistance to you.

Yours faithfully,

Jo McCabe
Programme Officer
