Right of Way to be Extinguished:

The fact that this map does not show a Public Right of Way does
not mean that such rights may not be the subject of a current
litigation or be shown in a future plan to extinguish the
right.

The plan has been produced specifically to satisfy an individual
who wishes to extinguish Local Authority land. It is not the
Planning or Council Committee or the Council Form or
the Cornwall Council or the Council Department.

The map has been produced for extinguishing the Rights of Way
from the Definitive Map. The position of the right of way can
not be satisfactorily conveyed by reference to the Definitive Map.

Cornwall Council cannot accept responsibility for any error
or inaccuracy which may arise from the transmission
of the Rights of Way Definitive Map.
