

# Local Government in Cornwall

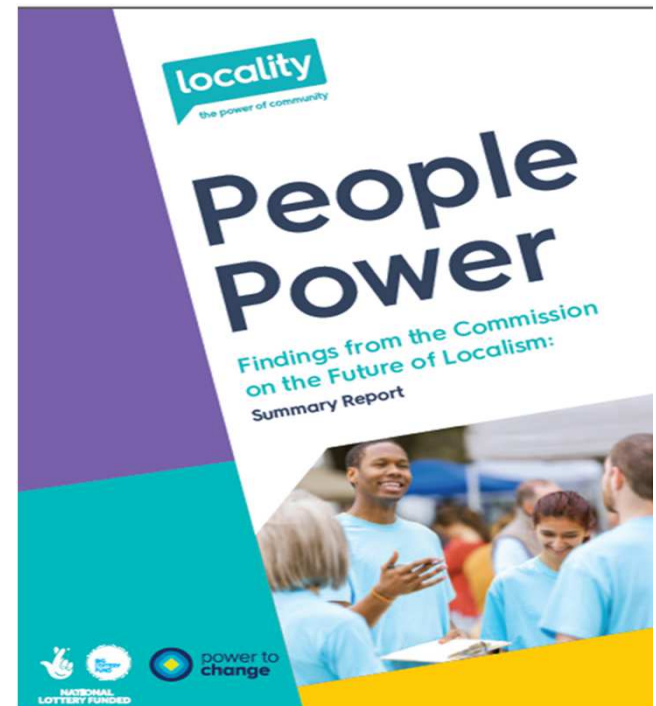

**What does the future  
hold?**

**We are in this together!**

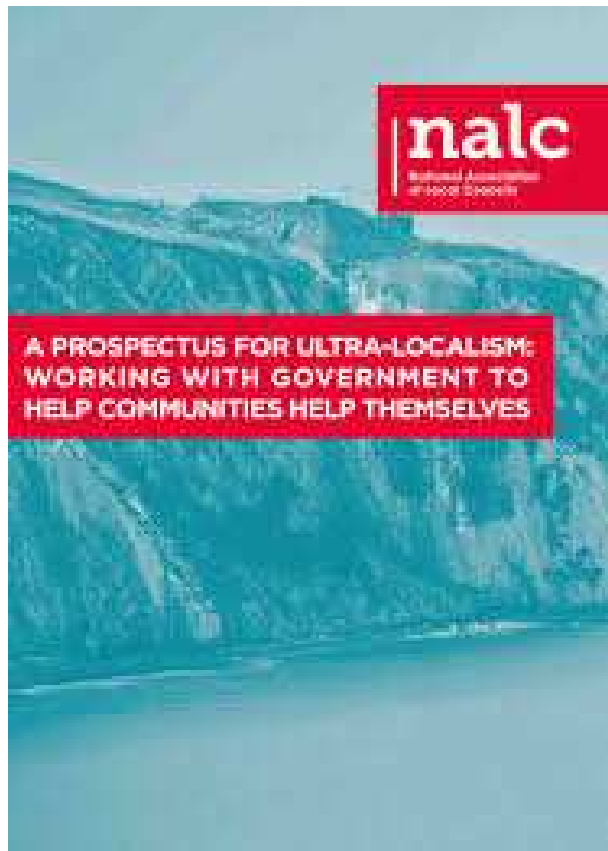

# Commission on the Future of Localism

**“We must change  
practices, culture and  
behaviour within local  
government”**

# National Association of Local Councils (nalc) Prospectus for Ultra Localism

- Empower Communities
- Build Capacity and support Councillors
- More Devolution and engagement

# So what is Cornwall Council doing to inform the future?

**We are working with**

Locality

Exeter University

CALC

NALC

# What has Cornwall Council done?

Invested in  
Localism

Invested in  
Partnerships  
with CALC  
and VCS

Working with  
CALC,  
Locality,  
Exeter  
University

Working with  
Government

# National recognition

Cornwall Council are already using all of this “good practice”

“we demonstrate the importance of long term strategy in making partnerships effective and sustainable. Our relationship (with Cornwall Council) is an exemplar of partnership and participation”

Mark Williams (Clerk, Falmouth TC)

“Cornwall is much more advanced regarding engagement with devolution than many other areas of the UK”

# **What can Town and Parish Councils do?**

- **Share the publication  
“People Power”**
- **Ask your council if they  
agree with the findings**
- **Consider what is required  
to make this happen**

# **SUMMITS November 2019**

- **Bring the information that you have gathered to the Localism Summit**
- **Inform the discussion about the future of Localism**
