Community Network Priorities 2019/20
<ul style="list-style-type: none"> • Development and Planning – support production and coordination of NDPs in order to promote sustainable development. • Community Emergency Response and Resilience– support production and coordination of CEPS in order to better prepare communities to deal with emergencies and build resilience. • Devolution – support CC devolution projects in order to help empower local communities and improve service delivery. • Community Safety – support neighbourhood policing and crime and disorder reduction measures in order to help keep people safe. • Community health and wellbeing – promote healthcare/social care initiatives and support service provision in order to help improve the health and wellbeing of residents and visitors.

- **Wealth creation and targeted economic growth** – support economic development which meets local needs in order to help create stronger local economies and improve financial wellbeing for residents.
