Dear

I have been forwarded your petition regarding dogs on beaches at Praa Sands. Thank you for your concern regarding this matter. As you are most probably aware Cornwall Council is currently undertaking a public consultation regarding dogs on beaches in Cornwall. I would be grateful if you would complete the consultation yourself and direct those signed up to your petition to the Council's consultation via the web link below. Once they have been inputted they will form part of the official consultation. The results of the consultation will be presented to councillors in January 2020 prior to any amendments being made prior to April 2020.
