#### Community Network Priorities 2019/20

- **Development and Planning** – support production and coordination of NDPs in order to promote sustainable development.
- **Community Emergency Response and Resilience**– support production and coordination of CEPS in order to better prepare communities to deal with emergencies and build resilience.
- **Devolution** – support CC devolution projects in order to help empower local communities and improve service delivery.
- **Community Safety** – support neighbourhood policing and crime and disorder reduction measures in order to help keep people safe.
- **Community health and wellbeing** – promote healthcare/social care initiatives and support service provision in order to help improve the health and wellbeing of residents and visitors.
- **Wealth creation and targeted economic growth** – support economic development which meets local needs in order to help create stronger local economies and improve financial wellbeing for residents.
