

**HEALTH & SAFETY INFORMATION**

CONSTRUCTION, MAINTENANCE, OPERATION, DECOMMISSIONING AND DEMOLITION PHASES

1. This drawing shall be read in conjunction with the Pre-Construction Information and any existing Health and Safety File(s) produced.
2. In preparation of the construction method statements consideration should be given to the close proximity of any structures that may be affected by construction.
3. The contractor shall refer to statutory undertakers' layout drawings and identify locations of existing overhead and underground services prior to carrying out excavation works.
4. Refer to the designer's risk register and the works information for full details of the residual risks associated with this work. Significant residual risks are listed here and referenced on the drawing:
  - 4.1.
