**1. In the last two financial years, (2018-19 and the current financial year, 2019-20 so far) how much money has been spent on external consultants by your fire service?**

**Please break down by year.**

**2. Broken down by same years above, please provide the name of every consultant (organisation and/or individual) whose services have been used during this period – alongside how much they were paid, and a description of what services they provided (as much information as it is possible to provide).**

**I would be grateful if you could provide this information by email, to this email address.**

**Please note: by financial year I mean the standard financial year from April-March.**

**Response:**

Cornwall Fire, Rescue and Community Safety Service do not use consultants, therefore this is a nil return.
