

Cornwall Council

Section 14(1) of the Road Traffic Regulation Act 1984 (RTRA 1984)

Temporary Prohibition of Traffic Order 2020

Notice is hereby given that Cornwall Council is under the above Order dated 27th December 2020 continuing to prohibit the use by traffic under section 14(1) of the RTRA 1984 over an area of highway being Public Footpath 52/4 in the Parish of St Hilary and 7/2 in the Parish of St Erth in the County of Cornwall.

The Order which commenced on the 6th December 2019 and is currently in force for up to six months will now continue until the 27th June 2021. The continuance of this order, which was to have expired on the 27th June 2020 has been approved by the Secretary of State for Transport.

The prohibition will be in force 24 hours a day, weekends included.

The Council is satisfied that this further restriction is necessary owing to engineering difficulties and the order is needed because of the likelihood of danger to the public during repairs to collapsed path due to river erosion.

While the Order is in operation traffic, including bicycle movement, along the highway specified in paragraph 1, will be temporarily restricted. No personnel, except upon the direction of a police constable in uniform, cause or permit any vehicle or pedal cycle to enter on, proceed or wait in the length of highway described above.

Nothing in the Order will apply to:

Any police, fire brigade, ambulance or coastguard vehicle, or any personnel on official duty, or any vehicle or person authorised by and with the permission of Cornwall Council.

Any vehicle being used for the purposes of an undertaker in an emergency, such as the loss of supplies of gas, electricity or water to premises in the area, which necessitate the bringing of vehicles into the section of highway to which this order applies.

Traffic associated with the works required within the highway specified above.

There is no alternative route, however, for further information please go to <https://one.network/?tm=115769343> or contact Colin Bayes, Cormac Solutions Ltd, Tel: 0300 1234 202
