NB It is not possible for temporary arrangements for you to park with the new vehicle and you will only be able to use it once it has been confirmed by the Permit Team that the new vehicle registration details have been fully processed. In emergency situations only e.g. the vehicle is stolen, the team can make arrangements for parking to be available using an existing permit.

14. It is the responsibility of the ticket holder to renew a ticket in sufficient time before it expires. It is not possible for temporary arrangements to be made for parking if a ticket is not renewed in time. If the ticket has expired before a new one has been purchased then you must pay for parking.

Penalties

15. Any breaches of the terms and conditions outlined above may result in a Penalty Charge Notice being issued.
16. Serious abuse of the system will lead to the cancellation of the ticket and would affect your ability to obtain further tickets.
17. Contravention of other parking restrictions could lead to the issue of a Penalty Charge Notice, irrespective of a valid ticket being in place.
18. The reselling of a ticket for profit is prohibited and will result in the cancellation of the ticket.

It is an offence, under Section 115 of the Road Traffic Regulation Act 1984, for anyone to knowingly make a false statement to obtain a parking ticket for himself or any other person. It is also an offence for anyone who with intent to deceive, misuses, or lends to, or allows to be used by, any other person a parking ticket or makes or has in his possession any such thing so as to closely resemble a parking ticket which is calculated to deceive.
