**Request:**

**I would like to find out the supported living care providers (adult social care) that operate within your council. I am looking for care providers that provide care in the below areas:**

- **Learning Difficulties/Autism**
- **Mental Health**
- **Complex Needs**
- **Physical Disabilities**

**Could you please provide a list of these care providers or a weblink to the appropriate page on your website?**

Please note that this information is publicly available on the Cornwall Council website, and is updated whenever a new list is released. The relevant link is:

<https://www.cornwall.gov.uk/health-and-social-care/adult-commissioning-and-transformation/home-care-services/>

You can view a list of the providers currently registered on the DPS contract for Home Care and Supportive Lifestyles half way down that page.

Please note that Supported Lifestyles specification covers Learning Difficulties/autism, mental health, complex needs and physical disabilities. Providers bid on packages of care depending on skillsets of staff and capacity therefore we are unable to provide a specific breakdown.
