Guidance for Applicants

Variation of Premises Licence

www.cornwall.gov.uk
1 - INTRODUCTION

This guidance has been produced to assist you in making an application to vary a premises licence under the Licensing Act 2003. The contents are intended as a guide to applicants, are not a full authoritative statement of the law and do not constitute legal advice.

Please refer to the www.cornwall.gov.uk and/or www.GOV.uk for further information.

The Licensing Act 2003 brings increased flexibility to the licensed trade in terms of operating hours and activities. However, it should be remembered that, with this flexibility comes greater responsibility. Licensees must address the four licensing objectives when preparing their operating schedules and always be mindful of the need to be “good neighbours”.

Where examples of methods of fulfilling the licensing objectives are provided in this leaflet it must be understood that they are only there as a guide to applicants, and should not be slavishly copied. There will be many more options available but the applicant must identify measures appropriate to the proposed premises operation.

2 - PREMISES LICENCE

Applications must be made on the form prescribed by regulations and must be accompanied: -

- by an operating schedule (this forms part of the prescribed form)
- if the variation relates to the internal layout and/or licensed areas it will be necessary to submit a new plan of the premises to which the application relates in the prescribed form (see Note 1)
- by the application fee (see Note 2)

Applications in the specified form are available from the Council and will normally accompany this document.

3 - OPERATING SCHEDULE

As mentioned earlier, an operating schedule will be required as part of the application. The operating schedule enables the applicant to put forward measures they intend to implement, which can be attached as conditions to the licence, in order to control licensable activities so as to promote the licensing objectives.

3.1 Licensing Objectives

The Licensing Objectives specified in the Licensing Act 2003 are:-

- Prevention of Crime & Disorder
- Public Safety
- Prevention of Public Nuisance; and
- Protection of Children from Harm
3.2 **Policy**

Examples of measures that can be considered to promote the licensing objectives are listed in the Council’s Licensing Policy Document.

3.3 **Additional Guidance**

Additional information and assistance is available from the responsible authorities listed at the end of this guidance. You are strongly recommended to contact them prior to making your application.
