

Cornwall Council

Section 14(1) of the Road Traffic Regulation Act 1984 (RTRA 1984)

Temporary Prohibition of Traffic Order 2021

Notice is hereby given that Cornwall Council is under the above Order dated 1st February 2021 continuing to prohibit the use by traffic under section 14(1) of the RTRA 1984 over an area of highway being Public Bridleway 64 in the Parish of St Buryan between grid references SW 40417 25724 and SW 40656 25622.

The Order which commenced on the 12th January 2021 and is currently in force for up to six months will now continue until the 1st August 2022. The continuance of this Order, which was to have expired on the 1st August 2021 has been approved by the Secretary of State for Transport.

The prohibition will be in force 24 hours a day, weekends included.

The Council is satisfied that this further restriction is necessary owing to engineering difficulties and the Order is needed because of the likelihood of danger to the public during works to remove flood water.

While the Order is in operation traffic, including bicycle movement, along the highway specified in paragraph 1, will be temporarily restricted. No personnel, except upon the direction of a police constable in uniform, cause or permit any vehicle or pedal cycle to enter on, proceed or wait in the length of highway described above.

Nothing in the Order will apply to:

Any vehicle being used for the purposes of an undertaker in an emergency, such as the loss of supplies of gas, electricity or water to premises in the area, which necessitate the bringing of vehicles into the section of highway to which this order applies.

Traffic associated with the works required within the highway specified above.

No alternative route will be available for use while the notice is in force.

Kevin Bryant, Head of Highways and Infrastructure
