(Proposed) Community Network Priorities 2021/22

- **Community Emergency Response and Resilience**– support production and coordination of CEPS in order to better prepare communities to deal with emergencies and build resilience.
- **Devolution** – support CC devolution projects in order to help empower local communities and improve service delivery.
- **Community Safety** – support neighbourhood policing and crime and disorder reduction measures in order to help keep people safe.
- **Community health and wellbeing** – promote healthcare/social care initiatives and support service provision in order to help improve the health and wellbeing of residents and visitors.
- **Climate & Ecological Emergency** – support TPCs/communities to develop Climate & Ecological Action Plans to develop a longer term vision. Ensure that the Panel is a source of information for local residents wanting to reduce, re-use and recycle as well as improve biodiversity and how individuals and communities can take steps to reduce our carbon footprint.
