

Information for voters

Ludgvan Neighbourhood
Development Plan Referendum

7 June 2021

About this booklet

On Thursday 15 July 2021, there will be a referendum on a neighbourhood development plan for your area. This booklet explains more about the referendum that is going to take place and how you can take part in it. In this booklet you can find out about:

- The referendum and how you can take part
- The neighbourhood area
- The neighbourhood plan
- The development plan [of which neighbourhood plans are part]

Referendum on the Neighbourhood Plan

A referendum asks you to vote 'yes' or 'no' to a question. The question which will be asked in the Referendum is:

“Do you want Cornwall Council to use the neighbourhood plan for Ludgvan to help it decide planning applications in the neighbourhood area?”

How do I vote in the referendum?

You vote by putting a cross (X) in the 'Yes' or 'No' box on your ballot paper. Put a cross in only **one** box or your vote will not be counted.

If more people vote 'yes' than 'no' in this referendum, then Cornwall Council will use the Neighbourhood Development Plan to help it decide planning applications in Ludgvan.

The Neighbourhood Development Plan once adopted will then become part of the Development Plan.

If more people vote 'no' than 'yes', then planning applications will be decided without using the Neighbourhood Development Plan as part of the Development Plan for the local area.

What is Neighbourhood Planning?

Neighbourhood planning aims to help local communities play a direct role in planning the areas in which they live and work.

A community can prepare a neighbourhood plan. This plan can show how the community wants land to be used and developed in its area.

What is a neighbourhood area?

A neighbourhood area can cover single streets or large urban or rural areas. The boundaries of a neighbourhood area are put forward by:

- Town or Parish councils
- A neighbourhood forum (a group of at least 21 people in areas without parish councils)

In Ludgvan, the boundary of the neighbourhood area was determined by Cornwall Council and covers the parish of Ludgvan as originally designated in the neighbourhood plan.

Who can prepare a Neighbourhood Plan?

Neighbourhood plans are prepared by the community, led by town or parish councils, or neighbourhood forums. In this case, the Ludgvan Neighbourhood Development Plan was prepared by Ludgvan NDP Steering Group.

What is a Development Plan?

In England, planning applications are determined by local planning authorities in accordance with the Development Plan. A Development Plan is a set of documents that set out the policies for the development and use of land across the entire local authority area. Within Cornwall, the local planning authority is Cornwall Council.

Who is the Planning Authority?

Referendum expenses

The Referendum expenses limit that will apply in relation to the Referendum is **£2524.54**. The number of persons entitled to vote in the Referendum, by reference to which that limit has been calculated, is **2755**.

The Referendum will be conducted in accordance with procedures which are similar to those used at local government elections.
