

# Cornwall Schools’ Shared Designated Areas

## Background

Cornwall Council has divided Cornwall into geographical areas called ‘designated areas’ which are each served by a specific school or schools. Designated areas assist the Council in ensuring there are enough school places and are also used to determine entitlement to school transport. Please note that the designated school for an address may not always be the one nearest to that address.

All designated areas can be viewed online: <http://www.cornwall.gov.uk/education-and-learning/schools-and-colleges/school-admissions/designated-areas/>

Please be aware that not all schools include ‘living in the designated area’ as a priority in their oversubscription criteria (the criteria that will be used to decide who should be allocated places when there are more applications than places available).

**However, entitlement to transport to all schools is determined by Cornwall Council with regard to whether the school is in the designated area for a child’s home address or is their nearest school.**

In some towns in Cornwall, more than one school may be designated for an address. These are called '**shared designated areas**'. These towns and the schools that are included in the shared area, as defined on the Cornwall Council mapping system (see link above), are listed in this document.

## Primary school shared designated areas

### Bodmin shared designated area

Beacon ACE Academy
Berrycoombe School
St Mary's Catholic Primary School (Bodmin)
St Petroc's Academy
