

Connecting Cornwall: 2030

moving towards a
green peninsula

Feedback form

Thank you for giving us your views on the Connecting Cornwall goals and proposals during the consultation period between July to September this year. The comments received have been analysed alongside other influencing factors and have helped to shape the final draft of the full Connecting Cornwall: 2030 strategy and supporting Implementation Plan. Please read these documents and take the opportunity to make any final comments before it is published on 31 March 2011.

This form has been developed to focus your feedback on the areas of significant change from the consultation document. These are:

- Transport policies throughout chapter 3 of the main document
- Implementation Plan 2011 - 2014

We are also seeking your views on the Strategic Environmental Assessment undertaken on this strategy.

Please complete the form and send it back in the pre-paid envelope by **23 January 2011**. Alternatively you can complete this form on line at **www.cornwall.gov.uk/connectingcornwall**

1 Do you support the policies and proposals included within the tackling climate change goal, section 3.2? Yes No

If no, please say why in the box below.

2 Do you support the policies and proposals included within the supporting economic prosperity goal, section 3.3? Yes No

If no, please say why in the box below.

6 Do you support the policies and proposals included within the supporting equality of opportunity goal, section 3.7? Yes No

If no, please say why in the box below.

Implementation Plan

- 7 Do you agree with the balance of expenditure shown between different types of transport intervention? Yes No

If no, please say why in the box below.

- 8 Do you agree with the Council's strategy of maximising transport schemes that can be delivered by utilising match funding from other income sources (e.g. Convergence)?

Yes No

If no, please say why in the box below.

Are there any additional comments you wish to add?

Strategic Environmental Assessment (SEA)

It is a legal requirement to undertake a SEA of Connecting Cornwall. The SEA assesses the environmental effects of the proposals in the transport plan and this is set out in the accompanying SEA Environmental Report.

9 Do you agree with the approach taken for this SEA? Yes No

If no, please say why in the box below.

10 Do you agree with the findings of the SEA? Yes No

If no, please say why in the box below.

11 Do you have any recommendations for further indicators or parameters to include in the monitoring framework of the SEA? Yes No

If no, please say why in the box below.

Thank you very much for your time.
