(Proposed) Community Network Priorities 2021/22

- ~~**Development and Planning**~~ – support production and coordination of NDPs in order to promote sustainable development.
- **Community Emergency Response and Resilience** – support production and coordination of CEPS in order to better prepare communities to deal with emergencies and build resilience.
- **Devolution** – support CC devolution projects in order to help empower local communities and improve service delivery.
- **Community Safety** – support neighbourhood policing and crime and disorder reduction measures in order to help keep people safe.
- **Community health and wellbeing** – promote healthcare/social care initiatives and support service provision in order to help improve the health and wellbeing of residents and visitors.
- ~~**Wealth creation and targeted economic growth**~~ – support economic development which meets local needs in order to help create stronger local economies and improve financial wellbeing for residents.
- **Climate Crisis** – support TPCs/communities to develop Climate Crisis Action Plans to develop a longer term vision. Ensure that the Panel is a source of information for local residents wanting to reduce, re-use and recycle as well as improve biodiversity and how to individuals can take personal steps to reduce their carbon footprint.
