

**Cornwall Council**

**Section 14(1) of the Road Traffic Regulation Act 1984 (RTRA 1984)**

**Temporary Prohibition of Traffic Order 2021**

Notice is hereby given that Cornwall Council has made the above Order dated 27th August 2021 in exercise of its powers under section 14(1) of the RTRA 1984 to prohibit the use by traffic over an area of highway being footbridge of Footpath 22 Sithney and Footpath 133 Wendron, between grid references SW 66747 32205 and SW 66783 32222.

The Order shall come into operation on 28th September 2021 and shall remain in force for six months, however, this Order can be extended by the Secretary of State for Transport. The works are expected to be completed by the 28th March 2022.

The prohibition will be in force 24 hours a day, weekends included.

The Council is satisfied that the order is needed because works are being executed on or near the public right of way to carry out repairs to collapsed foot bridge.

The highway was previously prohibited for reasons of public safety by notice under Section 14(2) of the RTRA 1984 from the 8th September 2021 for a period of up to 21 days.

While the Order is in operation traffic, including bicycle movement, along the highway specified in paragraph 1, will be temporarily restricted. No personnel, except upon the direction of a police constable in uniform, cause or permit any vehicle or pedal cycle to enter on, proceed or wait in the length of highway described above.

**Nothing in the Order will apply to:**

Any personnel on official duty, or any vehicle or person authorised by and with the permission of Cornwall Council

Any vehicle being used for the purposes of an undertaker in an emergency, such as the loss of supplies of gas, electricity or water to premises in the area, which necessitate the bringing of vehicles into the section of highway to which this order applies.

Traffic associated with the works required within the highway specified in Paragraph 1.

Kevin Bryant, Head of Highways and Infrastructure
