

Cornwall Council

Section 14(1) of the Road Traffic Regulation Act 1984 (RTRA 1984)

Temporary Prohibition of Traffic Order 2021

Notice is hereby given that Cornwall Council has made the above order dated 21st September 2020 in exercise of its powers under section 14(1) of the RTRA 1984 to prohibit the use by traffic over an area of highway being Footpath 7 in the parish of St Newlyn East between the Road from Ventonarren to Llgram and Access to Lappa Valley.

The Order shall come into operation on 22nd March 2021 and shall remain in force for 12 months, however, this order can be extended by the Secretary of State for Transport. The works are expected to be completed by the 21st March 2022.

The prohibition will be in force 24 hours a day weekends included

The Council is satisfied that the order is needed because of the likelihood of danger to the public due to a collapsed bridge.

The highway was previously prohibited for reasons of public safety by notice under Section 14(2) of the RTRA 1984 from the 1st September 2020 for a period of up to 21 days

While the Order is in operation traffic, including bicycle movement, along the highway specified in paragraph 1, will be temporarily restricted. No personnel, except upon the direction of a police constable in uniform, cause or permit any vehicle or pedal cycle to enter on, proceed or wait in the length of highway described above.

Nothing in the Order will apply to

Any vehicle being used for the purposes of an undertaker in an emergency, such as the loss of supplies of gas, electricity or water to premises in the area, which necessitate the bringing of vehicles into the section of highway to which this order applies.

Traffic associated with the works required within the highway specified in Paragraph 1

An alternative route will be available for use while the Order is in force being Road From Ventonarren To Llgram, Road From Halt Road To Junction At Mitchell Lane, Access To Lappa Valley
